

## NEWBERRY GIVEN PRISON SENTENCE AND FINED \$10,000

Brother and Fifteen  
Others Also Found  
Guilty

## APPEAL FOR NEW TRIAL

GRAND RAPIDS, Mich., March 20.—Senator Newberry junior United States senator from Michigan was today convicted by a jury of having conspired criminally in 1918 to violate the election laws. He was sentenced by Judge Clarence W. Sessions to two years imprisonment and fined \$10,000, released on bond pending an appeal, and at once issued a statement declaring his intention to retain his seat in the upper house unless that body decides otherwise, or the supreme court upholds his conviction.

Sharing the fate of the senator were his brother, John S. Newberry and 15 campaign managers, including Frederick Cody, New York, and Paul H. King, Detroit. Both these men received the limit sentence with their chief.

Charles W. Floyd, Detroit, was also sentenced to two years in the penitentiary, but he was fined only half as much as Newberry. The brother was fined \$10,000 and was one of four who were not sentenced to Leavenworth. Lightest sentence went to George S. Ladd of Sturbridge, Mass., and he was fined \$1,000.

Sentences were pronounced upon the convicted men this afternoon as follows:

- Senator Newberry, two years in Leavenworth and \$10,000 fine.
- Frederick Cody, two years in Leavenworth and \$10,000 fine.
- Paul King, two years in Leavenworth and \$10,000 fine.
- Charles A. Floyd, two years in Leavenworth and \$5,000 fine.
- William J. Mickel, two years.
- Allan A. Templeton, one year and six months.
- Rodger M. Andrews, one year and six months.
- Milton Oakman, one year and six months.
- Richard H. Fletcher, one year and three months.
- James F. McGregor, one year and three months.
- Fred Henry, one year and three months.
- Hannibal Hopkins, one year and one day.
- E. V. Chilson, one year and one day.
- John H. Newberry, fined \$10,000.
- Harry O. Turner, fined \$2,000.
- B. Frank Emery, fined \$2,000.
- George S. Ladd, fined \$1,000.

Judge Sessions overruled motion for a new trial pending an appeal.

The trial passed into history with great velocity. The jury was ready with its verdict at 11:12 A. M. Less than half an hour later they had been discharged by the court after freeing 68 of the 55 defendants. There was a brief respite for luncheon and then the senator and his sixteen associates were brought into court against the news of the convictions had been spread around the city and the room was jammed.

Ordered to stand before the bar, the men ranged themselves in a crescent, the senator on the left and his brother next. Then came Allan A. Templeton, president of the Detroit board of commerce; Milton Oakman, a Detroit leader of years standing; E. V. Chilson, head of the Newberry speaker bureau and recently attached to National Republican Headquarters; George S. Ladd, Sturbridge, Mass., good roads advocate and 63 years old today; Roger M. Andrews, Menominee publisher and one of the leading figures of the upper peninsula; Richard H. Fletcher, state labor commissioner, whose ruggedness of speech as quoted on the witness stand has marked him in the trial; William J. Mickel, a former Democrat leader in Michigan and now of Oshkosh, Wis., who was manager of James W. Helme, opponent of Henry Ford in the 1918 Democratic primary; Frederick H. Flint one of Fletcher's subordinates; Hannibal A. Hopkins, St. Clair, director of publicity in the Newberry campaign; B. Frank Emery, Detroit office manager at campaign headquarters and Harry Turner and James McGregor, Detroit men and field agents of the Newberry organization.

The stir of ranging the men before the bar died away to absolute stillness. In quiet tones Judge Sessions asked if any of the men wished to say anything before sentence was pronounced. They stood mute. Then the court, in even voice, read the time honored formula of sentence.

"Truman H. Newberry, in your case, it is the judgment of the court that you be confined in the penitentiary at Leavenworth for the full time and period of two years and be fined \$10,000," said the judge.

Not one stir as the audience caught the words that showed the judge had assessed against the principal defendant the heaviest sentence allowed by law. There was a deep breath or two audible as the same measure of justice

## SENATOR POINDEXTER AND MAJ. GEN. WOOD DEBATE IN S. DAKOTA

Labor Situation and League  
of Nations Leading Problems  
Discussed

PIERRE, S. D., March 20.—The labor situation and the league of nations were the leading problems discussed by Major General Leonard Wood, and Senator Miles Poindexter of Washington, Republican candidates for president—in the opening speeches of their joint debate here tonight.

Senator Poindexter, who opened the debate, declared that "an abyss existed" between General Wood and himself on these two issues. He said he supported rejection of the league of nations covenant and that General Wood was on record as favoring ratification of the covenant with reservations. Senator Poindexter also declared that his "open shop" labor policy was contrary to General Wood's views.

General Wood declared "he could not permit Senator Poindexter to dig an abyss between them because no abyss existed."

General Wood did not directly state whether he favored an open shop or not, but he said:

"No man should be compelled to work and no man should be prevented from working if he wants to work."

Touching upon his attitude towards the league of nations General Wood declared:

"My letter to Senator Borah leaves America free and untrammelled to accept the mandates he ought to accept—the mandate of American public opinion. When we turn our people to it it is going to be done under the mandate of the American people, and not under the mandate of any group of foreign nations."

A statewide primary for presidential endorsement will take place Tuesday. At the Republican convention held here last December, General Wood was endorsed for the nomination. Senator Poindexter failed as an independent candidate for party endorsement. The convention, under the state law, was held to decide upon a paramount issue and it chose "Americanism" as its slogan.

## JOIST POWERFUL SHIP IN WORLD LAUNCHED

NEWPORT NEWS, Va., March 20.—The super-dreadnaught Maryland designed as the most powerful battleship in the world was launched here today with Mrs. E. Brooke Lee, wife of the comptroller of the state of Maryland, as sponsor.

Secretary Daniels, Governor Ritchie of Maryland, and a number of other naval officials and state officers attended the launching, which was the first public one held here since the United States entered the war.

## GUilty OF USING MAILS TO DEFRAUD

Chicago, March 20.—Two women and one man were found guilty in federal court today of conspiracy and using the mails to defraud in connection with the blackhand cases which have been pending for more than a year.

Two other defendants will be retired, the jury having disagreed and a sixth was found to be guilty.

Those convicted were Mrs. Philippa Martello, Mrs. Lucia Napolitano and Vito Petrucci. They were meted out to King and Cody. One or two of the defendants stirred a bit when Floyd was given a slightly less severe penalty, but each succeeding sentence to prison or heavy fine was received in stolid silence.

Immediately after the sentences had been passed, Frank C. Dailey, of Indianapolis, special assistant attorney general and chief prosecutor of the already famous case, wiped the slate clean by moving the dismissal of ten of the 135 respondents to the indictment who had pleaded "no contest."

He also moved the discharge of Elmer White, of Traverse City, who was given a severance because of illness and of James Dailey, a Muskegon contractor, who went to South America on business before government officials could serve him with a warrant.

Ninety days were granted the attorneys for the convicted men to perfect an appeal. The court adjourned.

While the jurors said they had agreed not to discuss their deliberations, the rule did not hold good after they had been released from service. Several said that the defense testimony itself was largely responsible for the adverse verdict, particularly King's statement on the stand that he had warned Newberry in New York that the campaign would cost at least \$50,000.

## GOMPER'S ATTACKS WILSON'S PLAN TO SETTLE DISPUTES

Declares Present 'Machinery' Superior to the New

## REVIEWS SITUATION

WASHINGTON, March 20.—(By The Associated Press)—900—Recommendations by President Wilson's conference for the settlement of industrial unrest were attacked today by Samuel Gompers, president of the American Federation of Labor.

The labor leader in a prepared statement said the machinery for adjusting disputes between employees and employers "which has for years been in existence in practically every organized industry in the United States is superior to the machinery now suggested by the industrial conference both in point of simplicity and in point of effectiveness."

"The conference," said Mr. Gompers, "has devised a mass of machinery to be made effective by law, composed of a national industrial board and local and regional conferences and boards of inquiry. The whole situation in this respect may be summed up as follows:

"Tried and tested machinery for conciliation and arbitration between employers and employees exists wherever employees are organized."

"The machinery functions perfectly wherever employers foresee the spirit of dominance and the attitude of autocracy."

"Through the use of this machinery it has been found possible to maintain industrial peace with no stoppage of work of any kind for periods ranging from 10 to 40 years. No machinery devised by the government or its agencies or supervised by the government or any of its agencies, could achieve results superior to the results achieved by machinery long in operation in our industrial life."

In industries where the employees are not organized no machinery of any kind, whether supervised by governmental agencies or otherwise can produce industrial justice."

Surely no intelligent agency can hope to achieve progress in American industry without organization of the workers. With organization of workers, no structure of machinery need be thrust upon it from the outside. Organization brings with it machinery which is both adequate and practical—the machinery of pure theory."

"The report of the industrial conference merits criticism of a very serious nature in connection with the emphasis which it places upon what it terms 'employer representation.' It is to be feared that the commission views industry from the viewpoint of the single shop and builds its machinery on the theory that disputes are to be settled shop by shop. If such a viewpoint is to be actually carried into operation it will be most disastrous."

"Unavoidable organization with independent shop units of the employees is a menace to the workers for the reason that it organizes them away from each other and puts them in a position where they may be induced against shop not only the welfare of the workers, but the best economy for the nation demands that industry be viewed in a national light and that the workers be united into organizations covering whole industries as is now the case with the 120 national and international trade unions."

The report of the conference says that the nation has a right to ask that employees impose no arbitrary limitation of effort in the prosecution of their work. Did the conference forget that production in American industry is greater per man and in the aggregate than production in any other country in the world? The trade union movement of America is the only great and powerful labor movement in the world which does not sanction restriction of output by the workers. It realizes that restriction is as injurious to the moral fiber of the individual workman as it is to the larger economy of industry."

"American labor understands, perhaps more fully than American statesmen the needs of the world in this hour and it is extending every effort to see that those needs are met with intelligence and promptness."

"The fact of the whole matter is that the president's commission even the promptest by the best of motives had neither the experience nor the understanding of the history, the methods and the purposes of the organized labor movement and it followed in the wake of others whose only purpose has been to get away from the trade union influence and constructive work."

## BANK CONDITIONS

New York, May 20.—The actual condition of clearing house banks and trust companies for the week shows that the legal requirements of \$7,975,000 below the reserve of \$15,420 from last week.

## COAL MINERS MAY STRIKE AGAIN APRIL 1

INDIANAPOLIS, Ind., March 20.—Possibility of another tie-up of the nation's coal industry beginning April 1, was declared to exist as a result of the government's prosecution of operators and miners for alleged violation of the Lever fuel control act, in a statement tonight by E. D. Logsdon of Indianapolis. Mr. Logsdon is one of 125 men, operators or miners, indicted by a federal grand jury here for alleged conspiracy to enhance the price of coal.

Mr. Logsdon's statement declared that, according to information received by the operators the government is proceeding on the hypothesis that joint wage conferences are and have been illegal and that this theory forms the basis for a part, at least, of the charges against the coal men. If this plan is true he said, it is probable that conferences to establish a new wage scale effective April 1 will be postponed until after that date and possibly indefinitely and that miners will refuse to work after April 1, when the present contract expires upon a new scale is agreed upon.

He asserts that the government's action is inconsistent with a statement given out by President Wilson yesterday when he urged operators and miners to get together under the majority report of the commission which investigated the coal situation.

The president in this statement in effect gave sanction to the idea of collective bargaining in the coal industry. Mr. Logsdon said. Federal officers tonight asserted that they had authorized no statement as to theory on which the government is proceeding in its prosecution of the miners and operators and declared that they would not divulge the charges against those indicted until all of them have been arrested.

## COMMUNITY CENTER DISCUSSED

At Conference of Representatives of Thirty States With Former Secretary of Labor, Plans are Taken Up for Nationalization of All Work.

Washington, March 20.—Tentative plans for the nationalization of all community center work were outlined today at a conference of community organizations called by former Secretary Lane. Representatives of the governors of thirty states, community organizations, clubs, government bureau, business, labor and the church were present.

Projects favored by the conference were the observance of neighbor's day on June 14, organization of a national community center work, observation of Decoration day and Labor day simultaneously, use of school houses as social centers in urban and rural communities alike, co-operative buying and selling of staple commodities.

Samuel Gompers, president of the American Federation of Labor, pledged the aid of his organization into the community work cause.

He was followed by John H. Patterson of Dayton, Ohio, who told of the relation of community work to business.

At the evening session Cal Vrooman, former assistant secretary of agriculture, offered a counter proposal to the Plumb plan. Declaring that the greatest need of America today is industrial peace, he advocated that business men continue to conduct their institutions as in the past except that labor and the public be allowed a minority representation on all committees and boards of management and that after a fair return was paid on capital invested and depreciation charged off the balance be distributed equally between the capital, management, labor and the public.

There are four ships of the 600-foot class, the Franconia, the Laconia, the Scythia, and the Samaria. There is only one vessel under construction in the 550-foot class, the Tiburnia, a name which appears for the first time among the company's ships. They will have special accommodations for passengers, and will also be able to carry large quantities of cargo.

## DEMPSEY AND KEARNS PLEAD NOT GUILTY

San Francisco, Cal., March 20.—Jack Dempsey and his heavy-weight champion and his manager, Jack Kearns, pleaded not guilty today before Judge Robert S. Bean, in the United States district court when arraigned on charges of conspiracy to evade the selective draft act. Their preliminary hearing set for April 3.

The two appeared later before Francis Krull, United States commissioner, and furnished bonds, Dempsey for \$2,000 and Kearns for \$1,000.

They were indicted by the federal grand jury February 27. One indictment accused them of conspiracy in preparing a false claim of dependency for Dempsey and a second charged Dempsey with evasion of the draft act.

## MINNESOTA DELEGATES WILL BE UNINSTRUCTED

St. Paul, Minn., March 20.—Minnesota will send four uninstructed delegates at large to the national Republican convention in Chicago next June. The delegates were selected at the state Republican convention here today.

A resolution instructing them to vote for Major General Leonard Wood, for president was voted down 595 to 498, after a hot fight.

The delegates chosen are Mrs. Manley L. Fossheim, Minneapolis; R. H. Bach, Owatonna; Alvah Eastman, St. Cloud and R. E. Ruppel, Duluth.

## WEALTHY WOMAN SUICIDES

St. Louis, Mo., March 20.—Mrs. Thomas H. Wright, daughter of the late William J. Kemp, millionaire brewer who committed suicide in 1904 today ended her life by shooting herself thru the heart. Her husband, a wealthy metal manufacturer, attributed her action to "mental depression."

## MEX GENERAL SURRENDERS

Mexico City, March 20.—Manuel Palafox, one of the leaders of the Zapatista movement, surrendered yesterday and is arranging with the war department for the capitulation of remaining bands of outlaws formerly under command of Emiliano Zapata, who was killed in a fight with

## FUTURE OF PEACE TREATY RESTS WITH WILSON

Chances of Bringing  
Pact Before Senate  
Again Remote

## TAKE UP KNOX PLAN NEXT

WASHINGTON, March 20.—After a troubled eight months sojourn in the senate the treaty with Germany was back in the keeping of President Wilson tonight with a note appended saying that ratification had been refused.

What the president's next move would be remained a confidential house official declined to comment.

The general feeling of officials elsewhere about the capital however, was that Mr. Wilson probably would let the treaty lie on his desk while the bitter controversy it has raised is fought out in the political campaign. The treaty was taken back to the white house early in the day by a bevy of officials and messengers from the senate in pursuance of an order adopted last night after a fourth vote on ratification had failed to muster the necessary two thirds. It was delivered to Secretary Tumulty who received for it in the name of the President.

Scarcely had the bulky document passed physically out of the capitol building when some of the senators who worked for ratification began a movement to recall it and try once more for a compromise. Mild reservation Republicans discussed the possibilities of such an effort without decision, however, and the prediction of leaders on both sides was that no proposal for another reconsideration ever would take serious form.

Republican leaders after many conferences decided that the passage of a declaration of a peace treaty would not be urged before late next week. Previously the purpose had been to bring it up Monday and press it for early action.

In making this decision the majority managers in the senate are understood to have been influenced in part by undetermined factors in the house which also would have to act on a peace resolution and whose leaders balked at a similar proposal last December.

The senate was not in session today but the question of a peace declaration was raised in the house by Representative Linkman, Mass., who introduced a declaratory resolution and had it referred without debate to the foreign affairs committee. In its general provisions it follows the resolution of Senator Knox, Penna. which is backed by the Republican senate leaders.

Until some affirmative action is taken by congress or the president to end war status legally, the technical position of the country remains officials say, just what it was the day the armistice was signed. War legislation continues in force and under the war department interpretation the president retains his war powers as commander-in-chief to keep American troops at whatever posts in Germany he thinks necessary to enforce the armistice terms.

The president has expressed emphatic disapproval of securing a technical peace status by any means except ratification of the treaty.

Senators generally do not believe he has altered that position, and the Republican senate leaders confidently expect that if they pass a peace resolution he will veto it. They hope, however, to secure enough Democratic support to repass it in both houses by the necessary two thirds majority.

Three courses are open to Mr. Wilson. He can return the treaty to the senate, in which case the Republican leaders declare it will pigeonhole indefinitely, he can do nothing while he waits for the verdict of the people in the political campaign or he can treat the treaty as a dead letter, so far as international diplomacy is concerned, and proceed to negotiate a separate peace with Germany a step which he alone under the constitution could initiate.

Which ever of these he chooses a long delay seems inevitable before he can bring the country to a full peace status and the state department holds that until such a status is attained the present diplomatic and trade relations with Germany must be continued.

There is an American commissioner in Berlin representing the United States unofficially but he is not regarded as having diplomatic status. All negotiations of a diplomatic character are conducted thru the Spanish ambassador there. In the consular field, too, the United States is still represented in Germany by Spanish agents.

The move of some senators to recall the treaty and try again for ratification was in a nebulous state tonight and the general prediction was that it would collapse before the senate meets Monday. Leaders on both sides say they saw no likelihood of any

## ILLINOIS MINERS PLEDGE SUPPORT TO KANSAS WORKERS

Strike in That State Will be  
Shortly Called in Protest  
of Industrial Law

PEORIA, Ill., March 20.—Alex Howatt, president of the Kansas district United Mine Workers of America, here tonight, for Chicago after receiving from the Illinois mine workers convention a pledge of support from the ninety thousand miners of this state in the strike, he says will shortly be called in Kansas to test the validity of the industrial relations court law.

Amid cheers and by a rising vote the delegates in the Illinois miners convention this afternoon pledged their support to their Kansas brethren after an address by Howatt in which he bitterly assailed Governor Allen.

"Your vote has greatly encouraged me," Howatt said after the convention pledge had been made, "and I know the boys back home will be jubilant when they hear the news."

The convention will resume its session Monday morning with a continuation of debate on whether a strike shall be called in the Belleville district as a means of forcing the reinstatement of miners alleged to have been unjustly discriminated against in the so-called "wildcat" strike last August.

Among resolutions which are to be considered during the coming week is one aimed at food profiteers. It also will be urged that the miners establish a bank of their own. Another resolution will demand a six hour day with five days of work a week. The convention will be asked to act on a resolution proposing the establishment of a home and hospital for old and infirm miners at Springfield Valley. The establishment of a daily newspaper to be published in the interest of the miners and organized labor generally will be urged. Even alleged profiteering by undertakers will be attacked in a resolution which will urge the formation of a cooperative system of burial for miners. Another resolution will ask miners to appeal to members of the state legislature to pass a law which will limit landlords to charging not more than \$2.50 a room rent for houses.

## ROCK ISLAND SHOWS LARGE INCREASE

WASHINGTON, March 20.—Population statistics for 1920 announced tonight by the census bureau include:

- St. Paul, Minn., 234,595, an increase of 19,851, or 9.2 per cent over 1910.
- Albany, N. Y., 113,344, increase 10,991 or 44.6 per cent.
- Rock Island, Ill., 35,177, increase 10,842, or 44.6 per cent.
- Watervliet, N. Y., 16,073, increase 990, or 6.6 per cent.
- Rensselaer, N. Y., 10,823, increase 112, or 1.9 per cent.
- St. Paul, was the 24th city of the country in point of population in 1910 when it had 214,744 people and showed an increase of 51,679 or 31.7 per cent in the preceding decade.
- Denver 27th city, and St. Paul's nearest rival in 1910 with 233,881 has not been reported for 1920 nor has Rochester, N. Y., which was 25th city with 218,149. Louisville, which was 24th city has reported 234,891 for 1920 and has been based by Toledo, Ohio, 30th city in 1910, whose population in 1920 was 243,769.
- Albany, N. Y., was 50th city in 1910 with 100,253 people and an increase of 6.5 per cent in the decade.

## STEREOPTICAN LECTURE

A Stereoptican Lecture will be given at the Lutheran church, Sunday evening, March 21, on the Passion Story of Christ, according to Matthew, Mark, Luke and St. John, illustrated by the famous Tinsot Pictures.

Tinsot, a modern French painter at first painted pictures of actresses and ballet dancers. After his conversion he resolved to portray the Life of Christ in pictures. He traveled to the Holy Land to make a study of the various places made sacred by the presence of our Savior. The landscapes and buildings are true to nature. At first they are disappointing but closer study will reveal their beauty and accuracy. A cordial welcome is extended to all.

## BEARDSTOWN MEN COLLIDED WITH CAR

Friday night the Ford car of John Stewart residing west of the city, was damaged by a collision in front of First Baptist church.

The matter was reported to the police and Saturday Chief Kiloran and Officer Baker found the car which had done the damage, at Priest's Garage.

It is owned by C. H. Van Fossen of Beardstown. Mr. Van Fossen said he was not trying to escape the responsibility and immediately made arrangements to have the necessary repairs made on the Stewart car.

The Van Fossen car also was damaged, one of the fenders being torn off.

Mrs. Chichek of the Social Service league wishes to secure an invalid chair for the use of the league. Anyone having one will please communicate with her.

## BERLIN IS AGAIN QUIET AFTER WEEK OF DISTURBANCE

Only Disorders Reported from Cities  
Outside Capital

## EBERT AGAIN IN CONTROL

BERLIN, March 20.—(By The Associated Press).—Something of its normal aspect returned to Berlin late today and the only reports of a disturbing nature came from cities and towns outside the capital, principally those in the Rhine industrial centers where local soviet governments and communist regimes are declared to have been set up. To what extent the reds are in control is not definitely known, but there are serious disorders of all kinds along the elements in the cities.

A double row of barbed wire entanglements at all the cross streets runs from the northwest part of the city at Moabit in a semi-circle round the inner city as far as Schoenberg. This is reinforced with machine guns and manned by strong bodies of troops.

A decree by President Ebert proclaiming an intensified state of siege in Berlin may have been responsible for this decrease in the disorders, but it is generally believed that the settling of the strike in Berlin was the chief element in the restoration of at least partially normal conditions.

It is expected that the workmen will be given extensive concessions altho these have not yet been announced.

Chancellor Bauer, foreign minister Mueller and Herr Gieseler, minister of posts and telegraphs, are in Berlin, having arrived from Stuttgart this morning. These ministers participated in the negotiations which culminated in the settlement of the labor difficulties. No decision relative to the future conduct of affairs in Germany is looked for before the arrival here of President Ebert and his ministry. Various quarters predict changes in the make-up of the government.

The house will re-open Tuesday. Money exchange quotations will be made Monday in the chamber of commerce.

## Dusseldorf Still Holding

Basel, Switzerland, March 20.—Latest reports from Germany are to the effect that Dusseldorf is still holding out against the reds, but that a general strike is still in force in the city. The commander of the Reichswehr troops has asked the Bavarians and Wuerttembergers for help. Workmen stormed the prison at Dusseldorf, broke open the doors and released all the prisoners.

At Buer, Westphalia, Communists are reported to have disarmed the police establishing a soviet government.

Cabinet to Remain Intact  
Stuttgart, March 20.—(By The Associated Press).—The Ebert cabinet will remain intact for the time being according to high official sources. There has been discussion of Dr. Mueller's retirement. Count von Bernstorff is a candidate for deputy in the next elections and has frequently been mentioned for the post of foreign affairs but he is opposed because of the possible American attitude due to his pre-war activities in the United States. It is recognized, however, that the Berlin negotiations may bring demands for cabinet changes that otherwise would not be contemplated.

## RENDERS OPINION ON SUFFRAGE VOTE

Springfield, Ill., March 20.—Women may vote for all candidates for nomination at the Illinois primaries to be held Tuesday, April 13 if the federal woman suffrage amendment has been ratified by that date and certified by the secretary of state of the United States according to an opinion rendered today by Attorney General Edward J. Brundage.

## WEATHER INDICATIONS AND TEMPERATURES

Illinois: Fair Sunday and probably Monday, slowly rising temperature.

Temperatures.

The current, maximum and minimum temperatures as recorded Saturday were:

	7 p. m. High.	Low.
Jacksonville, Ill.	38	49
Easton	32	34
Buffalo	32	36
New York	38	40
New Orleans	36	44
Chicago	36	44
Detroit	38	42
Omaha	44	46
Minneapolis	38	42
Helena	54	56
San Francisco	58	64
Winnipeg	34	36

Weather predictions for the week beginning Monday, are:

Region of the Great Lakes: Rain about middle of week in upper lake region and occasional rains second half in lower lake regions; temperatures nearly or slightly above normal, after Monday.

Upper Mississippi and lower Missouri valleys: Rain probable Tuesday or Wednesday; generally fair thereafter; nearly normal temperatures probably slightly above normal early days.

THE JOURNAL

Published every morning except Monday by the JACKSONVILLE JOURNAL CO., 235 West State St., Jacksonville, Ill. W. L. FAY, President. SUBSCRIPTION RATES: Daily, single copy, 10c; by carrier, per week, \$1.50; by mail, 3 months, \$4.50; by mail, 1 year, \$16.00. Entered at the postoffice in Jacksonville, as second-class mail matter. Member the ASSOCIATED PRESS, the Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited to this paper.

The Dearborn Independent quite wisely observes that it seems to be the consensus of serious opinion that "although we live in a wonderful age there has as yet been discovered no substitute for work."

In his work on "Constitutional Government" written by a school teacher, Woodrow Wilson wrote, "Our President must always henceforth be one of the great powers of the world whether he act greatly and wisely or not." Since the author has had a chance to prove this dictum it has been mostly "not."

Half a million children are fatherless in Serbia. The American Food Relief Commission has also official reports of hundreds of people who lived during the last year of the war entirely on

roots and stems of maize. It is not surprising that the United States is called upon to send supplies and money into that land of want.

**CLOTHING UNIFORMITY.** Uniformity in men's clothing was suggested at the convention of clothing manufacturers as one plan for reducing costs. Such a system if adopted would save both manufacturers and dealers some losses which occur because of changing styles. But the idea of every man wearing exactly the same color and cut clothing isn't likely to be adopted in a wide enough way to have any very great effect in reducing apparel costs. However, the protests from the male population would not be nearly as loud as if the same plan were adopted for women.

**MILLIONS FOR AN IDEAL.** The Newberry trial is already said to have cost \$2,500,000. The people will pay most of this huge bill thru their taxes. Possibly the expenditure is worth while if the people really learn to believe that poor men and rich men have an equal chance for election to the U. S. senate.

However, it is not surprising that Senator Newberry violated a Michigan law which made legal campaign expenses only to the extent of about \$3,500. It is not reasonable to expect that a state wide campaign could be put on for such a figure.

**THE NEED OF A BUSINESS MAN.** Newspapers and periodicals

and even some manufacturing house organs are now talking about the need for a business man in the presidential chair. Recently Maurahtics, one of these trade publications, urged the necessity of Republicans and Democrats alike preaching every day until convention time. "The gospel of a business man for president surrounded by other business men."

With the record of happenings and events in Washington during the past month still green in memory, it is not surprising that there has come this great hue and cry about "a business man for president."

**DIRECT REPRESENTATION FOR EVERY COUNTY**

The proposal before the constitutional convention which provides for at least one representative from every county in Illinois in the legislature will certainly receive hearty support downstate. The Chicago delegates are not enthusiastic about this plan, which will include such provisions that the representation of Cook county will be somewhat reduced. The proposal provides that each county must have one representative and is allowed further representation for each additional 75,000 population.

This sounds fair, as it provides for both the small and large counties. Morgan county would benefit by such a plan and would not be tied up with another county and be minus direct representation as is now the case. True, the present representatives from Sangamon county have evidenced interest in Morgan county affairs but direct representation is nevertheless desirable.

**A BIG JOB IN DENTISTRY.**

Modern public school plants take into account the influence that the physical condition of children has upon their school work. It is for this reason that the superintendent of schools in Chicago is asking for the erection

of dental infirmaries in connection with the school system and the services of nurses trained in dental work. A remarkable lot of figures recently compiled show that 95 per cent of all of the 475,000 school children in Chicago have defective teeth. This report shows further that if all of this work were given attention that the 2,000 dentists in Chicago would have enough work to occupy their entire time for six months.

The school authorities and dental associations are working for the infirmaries and nurse plan in the hope of remedying the defects of a large percentage of the children and thus increasing their school work efficiency.

**MAKING THE BEST OF THE SITUATION**

One of the gratifying things in connection with the present water supply situation is the patience people are showing about the muddy water supply. They evidently know that the condition is one which cannot be speedily remedied and they are quite willing to make the best of the situation. Something of the same spirit is shown by some residents of the county who in coming to Jacksonville must now detour several miles because of high water road obstruction. These people know that the roadway will eventually be put into proper condition and they are willing to have the present inconvenience because they know that the increase of water supply for Jacksonville is a matter of great importance.

The engineer's estimate is that Mauvaisier lake now contains a little more than 400,000,000 gallons of water. When it is remembered that the capacity of Morgan lake is about 35,000,000 gallons it is easy to understand that the available supply which the present system makes possible insures the city against water famine and will provide for many more consumers than are now listed on the city books.

**FIGURES THAT TELL NOTHING**

The Bloomington Pantagraph in a well timed editorial takes issue with the managers of Gen. Wood's campaign for making great claims on the basis of the recent Minnesota primary. In that state with its 180,000 Republican voters there were 30,000 votes cast in the recent preferential primary. Gen. Wood had the strength of the state Republican organization behind him and succeeded in polling just about 15,000 votes. Certainly there is nothing in this showing to serve as a real basis for the Wood organization's claim that Minnesota is overwhelmingly behind their candidate.

The result in that state and the claims made by Gen. Wood further testimony of the inefficiency of the preferential primary. The measure, as the Pantagraph points out, can readily become merely the tool of politicians instead of giving an accurate line on the wishes of the people. The same thing is true of the general primary act and other measures which supposedly assist the people in carrying out their wishes.

**THE COMMUNITY DEBT TO CHILDREN**

One reason that more attention is not given cases of dependency among children of Jacksonville is because of the knowledge that merely cleaning up the homes and furnishing clothing and food will by no means correct conditions. There are said to be 26 homes in Jacksonville where children are being reared under conditions that certainly tend toward moral and physical breakdown. If thru a fund you could supply the inmates with adequate clothing and stock the larder with eatables, with the passage of a few weeks the old conditions would return.

It isn't just a matter of money. There is not much chance of improving the condition of adults in these homes. The only hope is to aid the children and this cannot be done except thru a change of environment. The need which exists in these 26 families mentioned but not enumerated is some plan of relief which will take away the children from the bad influence of these homes and place them in other surroundings where they will have a chance to develop into right thinking and right living men and women. It is a great work for county officials and for citizens who have interest in the welfare of the boys and girls of this county. The majority of citizens will have that interest if they come to a real understanding of the conditions which are complained of.

**Rippling Rhymes By Walt Mason**

**The Banker.** The banker stands and waves his hands, each day I see him beckon, "To bring your rocks to my strong box," he says, "is wise, I reckon. Oh, salt them down, the groat and crown, the kopeck and the shilling; and then, 'I guess, in days of stress your wad will make a killing.' We hear him cry as we go by, we hear the helpful banker; but sound advice cuts little ice when for fool things we banker. The coin we earn we wish to burn as other gents are doing; and so we hear the banker seer with phawing and beshrewing. We need new boats and leather coats and silks that gleam and glimmer, two-dollar socks and oil well stocks dispensed by cheap flam-flimmer. The rainy day seems far away, the money grows on bushes, and so we chase to every place where all the spend-thrift place is. The banker stands and cries, "My lands! Are peo-

ple all gone nutty? The road you tread looks smooth ahead, but soon it's rough and rutty. Bring in your seeds, Oh, locoeed lads, bring in the dime and nickie; the sanest guy beneath the sky is he whose coin's in pickle."

**Special inducements offered in Ready-to-Wear Garments and Millinery at Herman's Easter Opening Tuesday.**

**U. C. T. COUNCIL ELECTED OFFICERS**

Alternates—G. F. Haigh, Gerald Taylor, V. L. Lavery.

Three new members were inducted into the council. They are: Sol Hainsfurther of Winchester, Fred Cain, Mr. Deerwester.

**Buy Herman's celebrated millinery.**

**MAJESTIC WILL HAVE SPECIAL FEATURE**

Green Luttrell, manager of the Majestic Theater, announces a very extra special picture for tomorrow and Tuesday—something much out of the usual run. In fact, they say about it truly that "if it hurts you to laugh, take your doctor along." Perhaps, if he happens to be a sort of old sober-sides, you had best take him along anyway—it will do him good. The picture is "Fair and Warner," taken from Avery Hopwood's most hilarious farce, the play that made a world-laugh record on Broadway. It is said to be a genuinely funny and wonderfully human play, filled with complications, humorous and more side-splitting, breath-taking situations than ever before got together in one show. The captivating May Allison is the star comedienne of the play.

**Buy Herman's Ladies and Misses Suits.**

**GOES TO RED CROSS WORK** Miss Marian Capps who has been spending the week with her parents, Mr. and Mrs. C. C. Capps will leave for Alton Monday to take up Red Cross work. Miss Capps has been studying Red Cross work in Chicago since the first of the year and has been assigned to duty at Alton.

**Everybody welcome at Herman's Easter Opening, Tuesday, March 23rd.**

**L. W. C. WILL IMPROVE LIBRARY**

Through the generosity of a friend the Illinois Womens College will place a mezzanine floor and new steel racks in the College Library. The contract has been let and the materials ordered that the work may commence as soon as college is out in June.

The only way that one may safely judge future operations, is by a careful consideration of the past.

**EXPERIENCE COUNTS**

When you have a bicycle that needs repairing, you want the work done by one who understands the business. I have had more than sixteen years of experience in all kinds of repair work. I know how it should be done. My work always give satisfaction.

**A. R. Myrick** CYCLESMITHER Illinois Phone 16065 226 South Sandy Street

**Elegance Within Reason**

Moon Modern Motor cars are built with two types of chassis—the Six-48 and the Six-68—in touring cars, Runabouts, Sedans and Coupes. These cars are of notable general interest because their elegance of design, coach work, upholstery, and furnishings are obtainable at prices which are still well within the realm of reason.

Moon Cars are mechanically irreproachable. Light in weight and wear, with every part proved. Come let us give you a demonstration. The demand for Moon Modern Motor Cars far exceeds the production. Better put in your order now for one of these cars for spring delivery.

We have an up-to-date repair shop. Vulcanizing, Battery Work and general Repair Work. All work guaranteed. Prices satisfactory. Tires, Tubes, Batteries, Oil, Gasoline and other Accessories at reasonable prices.

**"The Street Called Straight"**  
This is the first story by Basil King to be made under the direction of Eminent Authors' Pictures. It vibrates with great action and it touches the heights of human sacrifice. Seldom has the "hunger for life"—and the power to take and give it—been so vividly pictured. The picture is enacted by an all star cast—among the players being Charles Clary, Naomi Childers, W. Lawrence Butt and Milton Sills. It is a DIFFERENT picture, and should be seen by every man, woman and child.  
A TELEGRAM FROM WASHINGTON, D. C.  
Street Called Straight playing to capacity business at Moore's Rialto Theatre all this week against Mary Pickford in Pollyanna at Palace, Nazimova in Stronger Than Death at Metropolitan, Huckleberry Finn at Garden. Tom Moore very well pleased and strong for Eminent Authors. Everyone praised production and all proclaim it one of the biggest hits of the year.  
(Signed) WALTER F. HAYNER, Washington.  
Also a Parsons Comedy  
**"A MUCH NEEDED REST"**  
Prices—10c and 25c—War Tax Included

  
**THE KEY TO HEALTH**  
When the Chiropractor, by scientific adjustment removes the pressure from the nerves and helps Nature to restore health, the operation seems a simple one. Yet the knowledge is one that is gained after a great deal of investigation, for Chiropractic is just as much a science and a profession that has to be learned as any other Health-method.  
**Knowledge of Spine and Nerves**  
The Chiropractor must intimately know the body. He must know what nerves feed every organ and just where these nerves branch out from the spine, so that he can place his finger right on the point of pressure that is causing trouble in a certain part of the body.  
Because of this expert knowledge of why he adjusts, where and how to do it, the Chiropractor can by examining the spine, tell what is the trouble without a patient telling him anything. The spine is the key. Spinal pressure on a certain nerve leads to weakness and disease in a certain organ. That's why the Chiropractor adjusts a certain part of the spine to relieve headaches and another part of the spine for stomach or abdominal troubles, etc. In  
**CHIROPRACTIC**  
THE BETTER WAY TO HEALTH  
no drugs or knife are used. If you are not as well as you should be, have your spine adjusted and the cause of your troubles removed, so Nature can make you strong and healthy again. Information, or a spinal analysis given without obligation. Investigate.

## Why a Trust Company To Manage Estates?

The trust company was created by law to act as executor and trustee under wills, administrators, guardians, etc.

### Because So Many Individuals

- Are not sufficiently responsible
- Lack training and experience
- Fall sick, travel, pass away
- Have cares of their own

### THIS Company

- Backs its fiduciary services with its capital of \$100,000.00.
- Has had experience in managing estates.
- Has a permanent organization, ever accessible, always on duty.
- Makes a business of administering wills and managing estates, has no conflicting interests of its own; is an unfailing, disinterested representative of the testator.

If trust company service has been created for the express purpose of safeguarding estates—why not avail yourself of it? The fee is no higher than you would have to pay a competent individual.

### Social Events

**Birthday Party.**  
Mrs. Clyde Richardson entertained at a birthday party for her niece Helen Lynn Saturday afternoon at 213 South Clay avenue. The afternoon was spent in games and music. The prizes were won by Mildred Edmund, Margaret Lushkamp, Francis Boston. Dainty refreshments were served. Helen received several nice presents.

**Friday Social Meets With Mrs. Vasey.**  
The Friday Social Circle was entertained Friday afternoon by Mrs. Virginia Vasey at her home on West North street. There was a large attendance of members and all enjoyed a delightful social afternoon. The rooms were prettily decorated, and the hostess served dainty refreshments all in keeping with St. Patrick's Day. A musical program was given as follows:  
Piano Tarantelle  
Vocal—(a) List! The Nightingale... W. Armstrong  
(b) Baby's Laugh... Ward-Stephens  
Mrs. V. Vasey.  
English Songs—  
(a) Down the Vale... Frank L. Moir  
(b) Smiles... Kathleen H. Maxwell  
(c) The Road to Looking Backward... Herman Lohr  
Miss Jean Paterson.  
The next meeting will be at the home of Mrs. J. V. Breckon, March 26.

**Pres. and Mrs. Rammelkamp Give Annual Reception.**  
President and Mrs. Rammelkamp held their annual reception for the student body of the college last evening at Academy Hall.

### Matrimonial

**Armstrong-Barcroft.**  
Samuel R. Armstrong and Ada May Barcroft were united in marriage at the Episcopal rectory at 8 o'clock last evening by Rev. J. E. Langton.  
They were accompanied by Miss Louise Armstrong of Chicago, sister of the groom.  
Mr. Armstrong is the son of the late Alexander Armstrong of Jacksonville, and the bride is the daughter of Mr. and Mrs. Charles S. Sawtell of Jacksonville. She is a member of Trinity church and a member of the guild. Mr. Armstrong is a contracting painter in the city.  
Mr. and Mrs. Armstrong will live in Jacksonville and their friends unite in extending best wishes.

### Funerals

**Willner.**  
Funeral services for Carl Willner were held from Salem Lutheran church at 2:30 o'clock Saturday afternoon in charge of the Rev. J. G. Kuppler. Mrs. Robert Stice sang two solos. The flowers were cared for by Mrs. Phillip Schultz, Mrs. Fred Brown, Mrs. Emma Kilian and Miss Martha Hoffman. Burial was in Jacksonville cemetery the bearers being: Phillip Schultz, William Batz, Henry Toensman, J. R. Mitten-dorf, Louis Zimmer and Frank Pechloffel.

## MISS SIEBER WEDS ERNEST R. SOVERN

Well Known Young Woman Was United in Marriage Saturday Afternoon—Has Been Prominently Identified With Club and Musical Life of City—Mr. Sovren Traveling Salesman.

The marriage of Ernest E. Sovren and Miss Geraldine Sieber was quietly solemnized yesterday afternoon at 2:30 o'clock at the Christian church parsonage by Rev. M. L. Pontius.

Miss Sieber, Mrs. Charles Ator, Mrs. George Douglas and Mr. and Mrs. Thurman T. Haskell were present at the ceremony.

Mrs. Sieber is the eldest daughter of Mr. and Mrs. G. A. Sieber, of 1019 Grove street, who received her education at the Christian Woman's College where she also received her diploma in music, in pipe organ and piano.

She was a member of the Belles Lettres Literary society and has been an active member of the Woman's Club for several years.

Mr. Sovren is a traveling salesman for the Van Camp Hardware and Iron Company in Illinois. He came to Jacksonville last August succeeding Mr. Haskell, and has made many friends in Jacksonville.

Mr. and Mrs. Sovren left immediately after the ceremony for Indianapolis, Indiana, where Mr. Sovren will take his 32nd degree in the Masonic Lodge. They expect to return to Jacksonville in

## The Tragedy of Teeth

Everyone who is interested in the conservation of life and health should give careful attention to their teeth.

It is a known scientific fact that germs caused by decaying teeth are responsible for many ills, such as ulceration of the tonsils, stomach and glands, rheumatism and tuberculosis. Some physicians even claim that kidney disease, intestinal disorders and many other diseases often find their origin in tooth decay.

Avoid a tooth tragedy in your life or in your children's lives by keeping the teeth in perfect condition. We sell all of the well-known

## BIRTHDAY PARTY FOR LITERBERRY BOY

Master Ennis Richardson Celebrates Sixth Birthday in Delightful Manner—Emsey Jumper a Patient at Hospital—Other News.

Literberry, March 20.—A very delightful children's party was given Saturday afternoon by Mr. and Mrs. George Richardson in honor of the sixth birthday of their son, Ennis Richardson. The hours from 2 to 5 o'clock were most happily spent by the children, games of various kinds affording the amusement. During the afternoon delicious refreshments were served by Mrs. Richardson. The young man whose birthday it was, received a number of very nice gifts.

Among the children present were: Helen Frances Crum, Blanche Louise Ratliff, Frieda May Daniels, Aldon Earl Rexroat, Claudine Ratliff, Aileen Young, Earl Lee Daniels, Eugene Young, Alice Decker, Arthur Lee Roach, Lee Alvin Decker, Billy Jean Underbrink, Ada Scribner, Wiley Scribner, Beulah Richardson, Marion Richardson, Mary Hixon, Amanda Hixon. Some of the children's mothers were also in attendance, including Mrs. Jesse Litter, Mrs. J. M. Daniels, Mrs. Walter Roach, Mrs. Scribner, Mrs. A. Ratliff, Mrs. W. W. Young and Mrs. Earl Rexroat.

Emsey Jumper, son of Mr. and Mrs. William Jumper residing northeast of here, was taken to Passavant hospital in Jacksonville Saturday and this morning will undergo an operation. The young man some time since suffered an injury to his knee cap and it is hoped that the operation will effect permanent recovery.

Among Jacksonville visitors Saturday were: Mrs. Owen Crum, Mrs. W. W. Daniels, Misses Mildred Underbrink, Wilma and Alta Crum, Mrs. Mullens and daughter, T. M. Crum, Mrs. L. H. Maul, William Gish, Walter Long, Oliver Lindsay, Joseph Jumper, George Roach, Mitchell Willis, W. W. Young, Miss May Martin, Miss Thelma Litter, Mr. and Mrs. Jennings, Mr. and Mrs. Howard Litter, Mr. and Mrs. John Martin, James Petefish.

**MISS MARY DANISON**  
Trimmer for H. J. & L. M. Smith, left last night for Chicago to attend the Easter displays in the millinery markets and to buy some new millinery.

**NEW COOLING POND**  
The engineers began yesterday the work of building the new cooling pond which the Jacksonville Railway and Light Company is putting in on Anna street back of the plant. The pond will be sixty by one hundred feet and will have twelve sprays for cooling the water which is to be used in condensing the steam of which the ice is made. The pond will be built of reinforced concrete. Simeon Fernandes and sons, of Jacksonville have the contract.

**Gasoline today 27 3-10c per gallon.—German Bros. Motor Co., East State St.**

**NOTICE.**  
For sale, 1,000 loads of dirt, first come first served, commencing Monday. Illinois Phone 152. Simeon Fernandes & Sons.

## Clubs and Societies

The Ladies Aid Society of State Street church will meet Thursday afternoon at 2:30. Reports of the year work and election of officers.

The regular monthly meeting of the Rev. James Caldwell Chapter, D. A. R., will be held at the home of Mrs. H. M. Capps on Monday evening, Tuesday afternoon, March 23rd. The business meeting will be held at 2 o'clock and the program at 3 o'clock. Rev. Mr. Marbach will be the speaker of the afternoon.

The Friday Social Circle will meet with Mrs. Joseph V. Breckon on West North street Friday afternoon at 3 o'clock.

The Wednesday Class will meet with Mrs. Woodman at 907 West State street.

The Monday Conversation Club will meet March 22, at 2:30 with Mrs. O. F. Buffe, 1054 West Lafayette avenue.

The Mission Study Circle of the Congregational church will meet with Mr. and Mrs. L. S. Doane, 906 Grove street, Tuesday evening March 23, at 7:30 o'clock.

Miss Catlin will give some personal experience and Mrs. Doane complete the review of the book "Christian Americanization."

The social meeting of the Mothers and Friends association which was to have been held at the home of Mrs. Newall last week will be held at the home of Mrs. Oran Cook, 1017 South East street, Tuesday, March 23.

The Literary Union will meet Monday evening, with L. O. Vaught.

Leader Dr. Baker, subject, Review of John Maynard Keynes' recent book, "Economic Consequences of the Peace."

The Fine Point club will meet Friday afternoon at the home of Mrs. Lillian King, 903 West College avenue.

The College Hill club will meet Monday at 3:00 p. m. with Miss Hill at the Illinois Woman's College.

## With the Sick

Miss Mabel May is confined to her home on West Court street by illness.

Miss Ruby Harris, daughter of Mrs. M. Harris of Waverly entered Passavant hospital yesterday. She will be operated on for appendicitis Monday.

Mrs. H. H. Bancroft has been ill for about a week at her home on Westminster street with an attack of bronchitis.

Mrs. Charles Weidheuer returned to her home in Greenfield yesterday after having been a patient at Passavant Hospital for some time.

Benjamin Upham who has been a patient at Passavant hospital for several weeks was able to return to his home yesterday.

Charles Doying, who underwent an operation for the removal of his tonsils Friday at Passavant hospital has returned to his home.

Charles Capps returned to his home on Church street yesterday. Mr. Capps had his tonsils removed Friday.

## Deaths

**Jackson.**  
Mrs. Mattie Jackson, of Louisiana, Mo., died at the Home Sanitarium at 9:30 o'clock Saturday morning. The remains were removed to Gillham's undertaking parlors and prepared for burial. It is probable they will be taken to Louisiana, Mo., for funeral services and interment.

**Witt.**  
Leonard H. Witt, aged 80 years, died at 806 South Diamond street at 7 o'clock Friday evening. Deceased was a prominent farmer of Raymond but had not been actively engaged for a number of years. The remains were removed to the Reynolds' mortuary and prepared for burial and were sent to Raymond Saturday afternoon. They were accompanied by his son, A. E. Witt, who was with his father when the end came.

**Hairgrove.**  
Charles Hairgrove, age 20, died Saturday afternoon in St. John's Hospital in Kansas City, death being due to peritonitis following an operation for appendicitis.

The deceased is survived by his father, E. E. Hairgrove, and five sisters. One sister, Miss Tillie Jane Hairgrove, has been a resident of this city for some time, and was with her brother when he passed away. He was a young man of high education, fine ideals greatly liked and had begun life with a brilliant future.

The funeral services will be held Monday at the family home in Kansas City and burial will be at that place.

William N. Hairgrove of this city, an uncle, left Saturday night for Kansas City to be of what assistance he could to the bereaved family.

**Mapes.**  
Landon Mapes, an old resident of the city died at Passavant hospital at 8:30 o'clock Saturday morning. He was 82 years of age at the time of death and had been a resident of this city and vicinity all his life.

Deceased was born in this city where his father was engaged in the milling business. During his earlier years he was associated with his father in that business. Later he took up the occupation of farming which he followed with success for some time.

During the administration of Governor Yates, Mr. Mapes served as a state grain inspector. He had never married and for a number of years resided with his sister on South Church street.

He is survived by one sister, Mrs. Higgins of this city and two brothers, Stephen Mapes of Hagensville, Mo., and Hardin Mapes of Salina, Kans.

The remains were removed to the mortuary of J. G. Reynolds and prepared for burial. Funeral services will be held from the Reynolds' chapel Monday afternoon at 2 o'clock in charge of the Rev. J. F. Langton, rector of Trinity church. Interment will be in Diamond Grove cemetery.

## Everybody Wants to See It

And you should be among those present when "JIM SHARP" demonstrates the Hummer Sharpener at my store the week of March 22-27—All Week

JIM will make a few cutting remarks about keeping farm tools in best working condition. He is a keen man, is Jim Sharp, and he will be busy. But he'll be here six days, and will have plenty of time to show you.

Jim says, "A dull farmer blames his tools, but a good farmer sharpens them" (on a Hummer).

So come in during the week and see what a great time and trouble saver the Hummer really is.

## ELKS JOLLIES APPEAR

Local Lodge to Stage Its Annual Attraction at Grand Opera House.

You doubtless remember about this time in each year how the cold winds spend their fury and are then ushered out and on their heels follow closely the gentle soft spring rains and Robin Redbreast appears with his welcome song and the birds begin to pop and old "Sol" begins to smile and get friendly. With all these happy remembrances haven't you missed something in the regular routine of your affairs—something important and essential in your young life—during the past three years?

Well, friend, you have been busy with the war, liberty loans, Red Cross and such things and your heart has been heavy and sad. True it is that something which has made you forget your care and troubles from one year

Warnings! Hints! Reminders! on a burning subject!

Our Coal Wagons traverse the highways and by-ways of Jacksonville—No street too good; no alley or lane too poor for us to navigate.

We get there with the best of coal!

## Harrigan Bros

Tractor and machinery gears often break and strip—Our WELDING SERVICE will quickly place the gear back into service at a fraction of the cost of a new part and in very much shorter time.

We weld auto, machine, agricultural equipment and other parts of any nature if made of metal.

Estimates gladly submitted.

Jacksonville

409-13 North Main St.  
Ill. Phone 1697

to the next has been missing for three long weary years. But don't be doleful. That something is coming back. Yes, back with a whoop and the old time laugh and smile. It carries with it a big stick that kills the blues. There is going to be a riot when it arrives in Jacksonville again and it will be welcomed with open arms. The Elks Jollies of 1920 in all its glory and brilliancy and filled with laughs, jokes, minstrelsy and surprises is going to be staged at the Grand Opera House on April 1st and 2nd.

The Elks' Lodge during war times did nothing which would detract from intensive war measures but now that the war is over the grand old organization has returned to its duty of spreading sunshine, good fellowship and charity in the community. Unquestionably the Elks Jollies of 1920 will be the biggest attraction that Jacksonville has had, outside of war gatherings, in the past three years. The Joe Bren Producing Company which has assisted the local lodge in its last two performances and which has a national reputation for home talent production will be here to assist in rounding up the local talent and staging a production that would be a credit to any professional company. Jacksonville is noted for its unusual talent along this line and the Elks' Lodge has procured Jacksonville's best.

I have the following cars on hand which I would like to close out as soon as possible:

2 new Essex 5 passenger Touring Car.

1 used Hudson (repainted.)

1 used Oldsmobile.

See me at once.

R. T. CASSELL.

## WAVERLY LYCEUM COURSE ENDS APRIL 1

Final Number of Series to be Given on that Date—J. C. Timmons Returns to Canada—Other Waverly News.

Waverly, March 21.—The last number of the Lyceum course, "The Colleens," will be given at the High school auditorium Thursday evening April 1.

Mr. and Mrs. J. C. Dikes, have purchased a residence in Springfield and expect to move to that city soon.

Dr. M. F. Woods, has returned from a business trip to Texas.

Sale of Easter Millinery and special display of the new fashions in our Coat, Suit, and Dress Section, on Monday and Tuesday this week.

F. J. WADDELL & CO.

## PLANS TO INCREASE SCOPE OF WORK

Centenary Sunday School Has Been Re-Organized For the Year.

Centenary Sunday school has recently re-organized her officers and is planning a much more comprehensive work than has been attempted heretofore. At the last business session of the Sunday School Board it was voted to hold the annual election the first week in January, and since the election this year had not been held yet, it was further ordered that the election this year be held immediately.

A nominating committee was appointed and the following officers were elected:

Superintendent—A. C. Metcalf, Assistant Superintendents—Elmer Gary and George Edmund, Secretary—Esther Wetzel, Treasurer—C. B. Vail, Assistant Treasurer—Guy Hutson.

Superintendent of the Primary Department—Mrs. D. V. Gowdy, Assistant Superintendent Primary Department—Mrs. Myrtle Chumley.

Superintendent of the Cradle Roll, Miss Ruth Rapp, Superintendent of the Intermediate Department—Mrs. Guy Hutson.

Superintendent Junior Department—Mrs. H. Buckthorpe, Librarian, Miss Rena Chaney, Superintendent of the Missionary Department, Mrs. W. P. Spillman.

Superintendent of the Temperance Department—Miss Ruth Swanson.

Chorister—Miss Clara Ranson, Pianist, Clarence Siegfried. The Boy Scout movement is being given special attention in the Sunday School, with gratifying results.

It was also voted to have a genuine old fashioned Sunday school picnic shortly after the close of school, in June. Mr. George Edmund was appointed chairman of the plan and was authorized to select his own com-

mittees for the carrying out of the various details.

I have the following cars on hand which I would like to close out as soon as possible:

2 new Essex 5 passenger Touring Car.

1 used Hudson (repainted.)

1 used Oldsmobile.

See me at once.

## ASHLAND MAN GIVEN BIRTHDAY SURPRISE

Harry Reed Given Delightful Surprise by Friends Recently—Dr. Benjamin Removes to Virginia—Other News From Ashland.

Ashland, March 19.—A number of young people gathered at the home of Mr. and Mrs. Harry Reed last evening and surprised Mr. Reed, it being his birthday. A very enjoyable evening was spent. Refreshments were served and at a late hour all departed, wishing him many more returns.

Mr. and Mrs. Eugene Caswell were in Virginia Wednesday afternoon.

Len and Bert Butler and H. G. Way were in Jacksonville Tuesday and attended Cherry's sale.

Mr. and Mrs. Mose Flyn of Hazel Dell neighborhood visited Mr. and Mrs. Henry Yancy Wednesday.

Dr. W. L. Benjamin and family have moved to Virginia. He has served Ashland and community as a veterinarian for the past six years.

Mr. and Mrs. Raymond Mau have moved into their commodious bungalow on Editor street.

Mr. and Mrs. Al Way, Mr. and Mrs. George Way and H. G. Way motored to Virginia Wednesday and spent the day with Mr. and Mrs. Dick Way.

Mr. and Mrs. Miles Kendall and daughter May, arrived home this afternoon from San Diego, Calif., where they spent the past winter.

Mrs. Harry Hopper returned to her home at Farmington after visiting relatives and friends for a few days.

Rev. C. E. French of Virginia attended Dr. C. B. Graft funeral held here Thursday afternoon.

Mrs. Lee Gailey went to Bloomington yesterday and received a medical treatment from Dr. Watson Gailey.

### WANTED

Girls over sixteen for wrapping butter and candle eggs; light work, good pay. Apply Supt. Swift & Co.

### COLLEGE OF MUSIC

Miss Lazelle has returned from South Dakota where she appeared in concerts in Yankton and Springfield. In the former city she was the soprano soloist in the Messiah, which was given by the community. In Springfield, she appeared under the auspices of the State Normal School. The papers report her work most successful.

Sunday afternoon at 4 o'clock Mr. Pearson, assisted by Miss Hay and Miss Moore will give another of the Lenten recitals which have proved so interesting. Those interested in music are cordially invited to attend.

Professional musicians place a high value on their hands as indicated by the amount of insurance they carry on their hands, as indicated by the amount of insurance they carry against accident. Miss Antoinette Zoellner, the violinist of the Zoellner Quartet, which appears here Monday, the 22nd, carries a policy of \$10,000 on each of her hands. Her brother, Amandus, who also plays the violin, carries a similar amount, as do the other members of the Quartet. This is a comparatively small sum, considering their earning capacity.

An interesting fact about the Zoellners and what is a surprise to many is their diversity of talents. Antoinette Zoellner, the first violinist, is an accomplished singer; Joseph, Jr., who plays the cello, a pianist, being a prize pupil on the keyboard of the Royal Conservatory of Brussels; and Joseph Zoellner, Sr., the father, a literati and expert angler, while Amandus Zoellner is an artist with the brush.

The following is the program the Quartet will give:

Auretette, D. Minor (Kochel 421) ..... Mozart  
Allegro Moderato  
Andante  
Menuetto Allegretto  
Allegretto Ma non troppo  
Romantic Serenade, Op. 25  
..... Jan Brandts-Buys  
Nocturne: Andante sostenuto  
Alla Marcit: Adagio Ma non troppo  
Serenade: Allegro molto vivace  
Scherzo: Allegro molto  
Nocturne: Sostenuto  
Quartette No. 2 ..... Borodine  
Allegro moderato  
Scherzo Allegro  
Nocturne Andante  
Finale-Vivace

Notes.  
A Students' Recital will be given in Music Hall Monday evening, March 22nd, 8:15 o'clock. The public is invited.

Francis Ingram, Prima Donna Contralto of the Metropolitan Opera Company, New York will give the last number of the Artist Series on Friday evening, April 23, 8:15.

## ILLINOIS WOMAN'S COLLEGE NOTES

The opening games of the annual basketball tournament were played last Saturday night. The Senior-Sophomore game ended in a decided victory for the Sophomores, while the Freshmen took the honors in a game with the Juniors.

The Y. W. C. A. service Sunday was led by Mona Ramsey upon the subject, "What I Know About Christ." Helen Carpenter sang.

Miss McCammon, head of the Expression Department, gave a recital Monday night in Music Hall. The program consisted of a very charming interpretation of J. M. Barrie's play, Alice Sit-by-the-Fire.

Another game of the basketball tournament series was played Tuesday evening between the Senior and Freshmen classes. The result was an overwhelming victory for the Freshmen.

The Sophomore class celebrated the anniversary of their class recognition on St. Patrick's Day. They marched into chapel to the tune of "The Wearin' of the Green," and presented a short program. In the evening they gave an opera, "The Green Old Ladies of Lavender Town" for the benefit of the College deficit fund.

Miss Neville left Tuesday morning for Pittsburgh, Pennsylvania, where she will attend a Conference of teachers engaged in Religious Education.

Friday afternoon, Miss Grace Hasenstab gave an informal talk before the Sociology class. In a vivid way, she described several situations, with which she had met in the southern Illinois mining districts and in the Italian settlements of Chicago, while traveling in the interest of the State School for the Deaf.

Miss Jean Prather of Rock House was a guest for dinner, Saturday evening.

Misses Florence Kreigman and Lenore Weber were visitors at the college for several days.

Miss Elizabeth Nagel spent several days with Miss Josephine Rink.

## SWITCHBOARD FOR BLIND OPERATOR

Is Installed at Anna State Hospital by Carl C. Wiley, Operator at Local Hospital.

Carl C. Wiley, night telephone operator at Jacksonville State hospital, left Monday morning for Anna, Ill., in the southern part of the state to install a telephone switch board for sightless operators. In Alton he met Miss Margaret A. Smith, a graduate of I. S. B. with the class of 1918, and she accompanied him to Anna to be the night operator.

After a stay of two days Mr. Wiley returned to Jacksonville reporting that the board was very successful and that Miss Smith will be in charge within a few days.

Mr. Wiley has made a specialty of telephone switch board apparatus to be operated by blind people, thus enabling them to earn a livelihood. He has acquired his exactness and knowledge after installing such a board at the Jacksonville State Hospital and operating the same for a period of two years. Mr. Wiley has been certified after taking and passing successfully the examination of the state civil service board of public welfare and charities.

### MEN'S SPRING STYLE

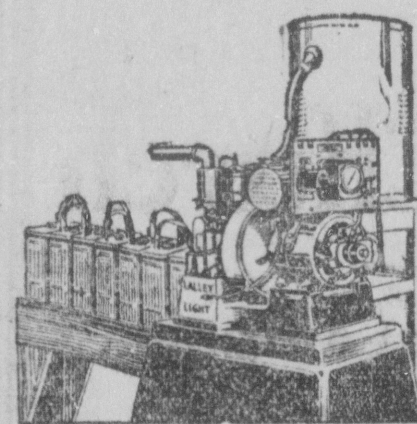

HATS are not priced high at FRANK BYRNS Hat Store, when compared, for example, a few years ago it required the returns from the sale of 16 bushels of corn to buy the same brand of Stetson hat that can be purchased now of Frank Byrns hat store for the returns of 7 bushels of corn.

### WILL SPEAK TODAY

Prof. C. W. Rodgers secretary of Western Baptist Convention will speak at Mt. Emory Baptist church Sunday morning and evening. Leave a Light in Your Window, Sunday evening: The Power of Knowledge. Everybody invited.

# Lally Light

Save Money Now \$45

Lally Light is a complete unit—engine and generator—with its own storage battery. It supplies ample electricity for lights, water pump, washing machines, sweeper, cream separator, 'tanning mill, iron, etc., etc.

Immediately More Later

Constantly advancing prices of raw materials and labor has compelled an advance in price of the Lally Light plant.

Anticipating this advance, we have been fortunate to secure a limited number of Lally plants which we will sell to our customers AT THE OLD PRICE, thus saving each of them \$45.00. We have scores of customers who have decided to install Lally Light plants. Those who give us their orders immediately will save \$45.00, up to the limits of the plants we have secured at the old price. You will

Save \$45.00 Now

and save Dollars in Money, Dollars in Time, and Dollars in increased happiness. If, without delay, you order and

### ROUND TABLE HELD MEETING SATURDAY

Interesting Session Held at David Prince—Demonstration Given by Domestic Science Class of High School under direction of Miss Newman.

An interesting meeting of the Domestic Science Round Table was held at David Prince School Saturday afternoon. There was a large attendance of members and the main feature was a demonstration by the domestic science class of the high school.

The regular business session of the organization was held with the president, Mrs. O. E. Tandy in the chair.

The demonstration was under the direction of Miss Ella Newman head of the domestic science department of the school. She was assisted by the following young ladies:

Misses Myra Whitlock, Pauline Hankins, Lillian Deters, Mary Janet Capps, Louis Sheppard, Florence Chapin, Dorothy Farrell, Katherine Alexander, Helen Ferreira and Opal Brown.

The following menu was demonstrated. Rose apples, veal croquettes, casserole of rice and beef, tomato sauce, caramel tapioca and greatly enjoyed by the members.

The hostesses were: Mesdames, J. K. C. Pierson, P. W. Fox, Edward Tindall, George Lukeman, Joseph Mallen, A. J. Ogram, Homer Potter, C. N. Priest, R. L. Pyatt, J. W. Rawlings, J. J. Reeve, F. M. Roberts, W. S. Rogers, Charles A. Rose, D. A. Schaffnit, M. D. Shanahan, Robert Shoemaker, George S. Rogers, W. D. Roberts, G. A. Seiber, Miss Clara Ranson, Miss Elizabeth Sanderson.

The recipes used by the young ladies are given herewith:

**Veal Croquettes.**  
1 cup chopped veal, 1 cup cooked rice (boiled or steamed). Add the chopped veal to the warm rice, season well with salt, pepper, and celery salt. Roll slightly, shape into cylinders. Dip in dried bread crumbs, egg and crumbs again. Cook in deep fat, drain. Garnish with parsley and serve.

**Casserole of Rice and Beef.**  
Steam 1 cup rice in 3 cups boiling water until tender and line a casserole. Fill with 1 pint of cold, cooked beef, chopped fine; well seasoned and moistened with from 1-2 to 1 cup of stock mixed with 2 tablespoons of flour, cover with rice and bake in a pan of water for from 30 to 40 minutes. Serve with tomato sauce.

**Tomato Sauce.**  
1-2 can tomatoes (1 pint), 1 cup water, 2 cloves, 3 allspice berries, 3 peppercorns, 2 sprays parsley, 3 tablespoons fat, 2 sliced onions, 1-4 cup flour, 1 teaspoon salt. Allow the tomatoes, water, spices and herbs to simmer 10 to 15 minutes, and strain. Brown the onion in the fat, add flour and salt then add the tomato mixture slowly, stirring constantly until the mixture thickens.

**Caramel Tapioca.**  
1 cup sugar, 1 pint milk, 1-2 cup granulated tapioca, 1-2 teaspoons salt, 1 egg, 1-2 teaspoon vanilla. Scald the milk. Caramelize the sugar, and then add it to the hot milk. When the sugar is dissolved add the tapioca. Cook in a double boiler until the tapioca is transparent; add the salt; stir in the egg carefully, and cook until the egg thickens. Add the vanilla and turn into dishes for serving. Cool serve with plain or whipped cream.

**Rose Apples.**  
1 cup water, 1-3 cup cinnamon candies, 5 apples. Core the apples and if the stems are tough, pare them. Boil until tender in water. Make a syrup of the candy and cap water. Put in the apples and cook, turning frequently until of a rose color. Serve with whipped cream in cavity.

**MISS MARY DANISON**  
Timmer for H. J. & L. M. Smith, left last night for Chicago to attend the Easter displays in the millinery markets and to buy some new millinery.

**HELD SUCCESSFUL SALE**  
That was a successful cake and pie sale that the members of the Watchkees Camp Fire Girls held Saturday at the A. R. Taylor Shop-Ad store. The patronage was liberal and the good things were quickly disposed of during the sale hours. The receipts will go into the fund which is being raised to provide for the next summer outing.

Miss Ruby Molohon is now serving as guardian of this camp fire which includes in its membership, Misses Margaret Miller, Grace Burrus, Edith Ruyie, Lucile Harber, Alleen Rabjohns, Eleanor Stoldt and Margaret Struck.

You come and see our great millinery display of spring hats. The styles and prices will please you.

**FLORETH CO.**  
HERE FOR BRIEF VISIT  
Herbert J. Henderson, who is mechanical superintendent of the printing establishment at the University of Illinois, is here to spend the week end with relatives. Mr. Henderson is well qualified for the work in which he is engaged and is said to be filling the position in a very satisfactory way.

It will be a great pleasure for us and satisfaction for you in visiting our millinery department this week. You come.—FLORETH CO.

**MATHIS, KAMM & SHIBE SAY:**  
Those handsome two eyelid ties will give the foot that trim, neat appearance so much to be desired; you may have them in Suede, Patent, or White Washable Kid.

**REAL ESTATE TRANSFERS**  
H. L. Doan, trustee, to Lucy H. Davis, pt. lot 10 block 20, City addition, \$1. This lot is situated on the northwest corner of Grove and Diamond streets.

H. L. Doan, trustee to S. W. Nichols, pt. lot 10 block 20 city addition, \$2,500. The property transferred is situated near the northwest corner of Grove and Diamond streets.

A. G. Waterfield to G. A. Wheeler, pt. lot southeast quarter northwest quarter 19-16-9, \$3,000. The real estate thus conveyed is situated about a mile and a half northwest of Sinclair.

**DR. AUGUSTINE TO ADDRESS FORUM TONIGHT**  
Interchurch World Movement to be Subject of Dr. R. H. M. Augustine at Community Forum Tonight at Congregational church.

A cordial invitation is extended to all to attend the community forum tonight at the Congregational church, at which time Dr. R. H. M. Augustine, state leader in the interchurch world movement, will be the speaker. This great movement, in which more than 70 per cent of the Protestant churches of the U. S. are uniting, is attracting widespread attention everywhere and great things are anticipated as a result of the undertaking.

Dr. Augustine, as indicated, is at the head of the movement in Illinois. He is an able speaker and his presentation of the great subject will be a masterly effort. During the war period Dr. Augustine was at the head of the War Community service at the national capital and in various ways he has gained nation wide prominence. Local people should avail themselves of this opportunity to hear this prominent man discuss the subject which is engrossing the minds of Christians everywhere.

**CLOSING OUT SALE**  
Live stock, farm implements, hay and corn at the farm of the late William Leake one mile south of Joy Prairie on Thursday, March 25th at 10 a. m.

**THE SERVICE STAR LEGION**  
The entertainment committee and members of the Service Star Legion wish to extend a vote of thanks to the American Legion Orchestra and the several who gave us such liberal contributions. The Daily Journal and Courier, the public in general, for the feeling of interest and courtesy displayed, those who sold tickets, and in any way contributed to the success of our dance on last Wednesday evening.

We most heartily thank you all.

### NEAR EAST RELIEF CAMPAIGN OPENS TODAY

Various Precincts Asked to Provide for Definite Number of Children—Ministers to Present Cause.

The campaign for Near East relief work will begin today throughout Morgan county. The ministers of the various churches will briefly present the campaign needs from their pulpits. In a few instances there will be lay speakers but for the most part the ministers themselves will tell of the atrocities and the famine condition in the Near East which make such an urgent appeal to the Christian nations.

Earl M. Spink is the general chairman of the county organization and Mrs. W. S. Jones is the chairman of the women's division. The quota for the county instead of being given in dollars is given in children and it is expected that as a result of the campaign that a fund sufficient to provide for 1,700 children for one month will be raised. The cost of keeping one child for a month is \$5.

In a few precincts of the county the work of solicitation will begin today and Mrs. J. W. Arnold and Mrs. W. T. Scott in Jacksonville No. 15 notified the county committee yesterday, that they have already begun the work of raising their fund to provide for 40 children.

The general quotas as follows: Jacksonville—941 children in the following proportions:

Business Section—316.  
First Ward—62.  
Second Ward—161.  
Third Ward—116.  
Fourth Ward—237.  
South Jacksonville—50.  
Precincts—Alexander—62.  
Arcadia—25.  
Concord—45.

THIS EVENING  
R. H. M. AUGUSTINE  
THE INTER-CHURCH  
WORLD MOVEMENT

**TO USE INCUBATORS**  
AT STATE HOSPITAL  
D. T. Helmlich, who will be superintendent of the department of Jacksonville State hospital devoted to the development of poultry and rabbits, said yesterday that his work is already under way.

The number of fowls on hand, however, is quite small and will be increased largely during the coming months. A number of incubators will be used. It is the intention to develop flocks of Barred and White Plymouth Rocks and Rhode Island Reds. Mr. Helmlich considers these breeds the best for general purposes.

Not all the equipment or space desirable has as yet been arranged but that part of the program will have early attention. Belgian Hares and rabbits of the New Zealand type will be used for stocking the "rabbit farm." These animals increase very rapidly and it is the expectation that during the year that rabbit meat will form an important part in the hospital supplies.

**FOR SALE**  
Modern eight room house, 707 West College Ave. Both phones 115 for appointment. W. M. Huffman.

**HAD PART IN BAPTIST CHURCH ENTERTAINMENT**  
Mention was made in Saturday's paper of the entertainment given at First Baptist church Friday evening, entitled "Jerusha Dow's Album." Those who took part in the entertainment, which was most pleasing to the large audience present, were: Miss Frances Alkire, Mrs. Alice Haley, Mrs. William Fuller, Calvin Rutherford, Lelia Reece, Samuel Ashby, George Bussey, Mrs. Gertrude Richardson, Russell Wood, Rose Evelyn Gaul, Mrs. Edward Young, Mrs. Lincoln Cowdin, Miss Marguerite Mayer, Miss Carrie Spires, Robert Reid, Harold Rabjohns, Altha Perry, J. W. Chipchase, Byron Stewart, Anna Loar, Mrs. Joseph Gaul, Mrs. Charles Bumbow, Ernie Rutherford, Mary Laurie, Mrs. J. A. Patrick, James Stout, Marie Mayer, James Fitzhugh, Mrs. T. O. Hardesty, Stanley Ashby.

**ALEXANDER PEOPLE VISITED CITY SATURDAY**  
Among Alexander people, who visited the city Saturday, were B. J. Davenport, Joseph Zeller, Arthur Smith, Albert Smith, Edward Bashin, Ralph Willis, Henry Ruble, John Snyder, George Colwell, George Cockin, Ernest Strawn, William Foster, Myron Miller and Wilson Morrow.

**Buy Herman's Skirts.**  
S. S. R. B. MEETING  
The Board of Control of the Sunday School Basketball League will meet this afternoon at 3:30 in the Y. M. C. A. All members please be present.

**Stated Convocation of Jacksonville Chapter, No. 3 R. A. M., Monday evening, WORK.**  
Visiting companions are welcome.  
W. P. Spillman, E. H. P. John R. Phillips, Secy.

**YOUNG PEOPLE HELD HELPFUL CONFERENCE**  
A conference of young people interested in Sunday school and church affairs has been in progress in Springfield for several days. Societies in a large number of cities have been represented and the program, including addresses by state workers has been of great interest and value. Officers were chosen as follows.

**Young Women's Division.**  
President—Miss Ruth Beck, Litchfield.  
Vice President—Miss Mabel Hilliker, Kankakee.  
Secretary—Treasurer—Miss Vivian Newport, Morrisville.

**Young Men's Division.**  
President—Harold Hall, Jacksonville.  
Vice President—Louis Leurig, Jacksonville.  
Secretary—Arch H. Ely, Lake Geneva.

Easter Sunday, April Fourth

## -beginning new, Easter

Easter means starting again—new life, flowers, leaves—Spring. It is the time to put winter-weary clothes into the discard and "blossom forth" in new attire.

Get in harmony with the psychology of the hour. A new hat, different cravat, gloves and a suit and overcoat of different color scheme and patterning.

## Kuppenheimer good Clothes

are fitting companions for the Easter spirit—Spring thoughts. They are the best in new styles. They are quality—fabric, tailoring, inside materials. And like the Easter spirit they are sincere.

Kuppenheimer good clothes are for the man who knows the value of good appearance and what real economy is—

Why we are proud to sell them and you will be to wear them.

## Your Easter Hat

You will find it easy to choose a hat becoming to you here from these noted style creators—Stetsons, Borsolinos, Vanities.

\$5 to \$10—Others \$3 and up

# MYERS BROTHERS.

### LONG TIME WINCHESTER RESIDENT DIES

Peter Dugan passed away Saturday at Jacksonville State Hospital—Young Ladies Sodality Held Successful Sale—Other Winchester News

Winchester, March 20.—Peter Dugan passed away Saturday morning at 4 o'clock at the state hospital in Jacksonville. The deceased had been in failing health for several years and was ninety-two years of age at the time of his death. Mr. Dugan was born in Ireland, coming to this country at the age of about twenty years. After a few months spent in St. Louis, he came to Illinois, and his home has since been in this state. Mr. Dugan was a well known and highly respected citizen of the Winchester community, a member of St. Mark's Catholic church at Winchester. The family home was in the northwest part of town.

The deceased is survived by his wife and one daughter, Mrs. John Grant of Sedalia, Mo., five sons, John Dugan, Winchester; William Dugan, Terre Haute, Ind.; Frank Dugan, of Chicago; James and Charles Dugan, Beardstown. Three daughters, Mary, Rose and Jennie, died in infancy. Another daughter, Mrs. William Zellmer, died a year ago last September and one son, Peter Dugan, Jr., died in 1904.

Funeral services will be held at 9 o'clock Monday morning from St. Mark's Catholic church.

The Young Ladies' Sodality of St. Mark's church held a bake sale Saturday in Sol Hainsfather's store room. The young ladies had a window full of eatables including chickens, pies and cakes and cleared the goodly sum of \$60.

Members of the Baptist Sunday school will give a program Easter morning, commencing at 11 o'clock. Members of the congregation will bring filled baskets for a dinner at the noon hour and there will be services in the afternoon. The Easter sermon will be given by the pastor Sunday evening.

Mr. Pullman, architect from Chicago, met with the community high school board Saturday to present plans for the new high school building.

## SOLDIER IS LAID TO REST AT MANCHESTER

Remains of Flem Cooley, Who died at Camp Fox Hill, N. Y., Interred in Manchester Cemetery—Other Happenings In Scott county Town.

Manchester, March 19.—Funeral services for Flem Cooley, were conducted at the Baptist church Wednesday afternoon at 1 o'clock.

Death came to the deceased at camp Fox Hill, N. Y., Wednesday, March 10, following an attack of pneumonia. He was serving in the regular army. Deceased was the son of Mr. and Mrs. Thomas Cooley, of this place and was well and favorably known in this community. He was twenty four years of age.

The services were in charge of Rev. N. M. Antrobus, assisted by Rev. Fred Peek. The returned soldiers attended in a body and the bearers were: Charles Garner, Bodie Greenwalt, William Horton, Sylvan Daniels, Seth Featherkile and James VanCleave veterans of the world war. Music was furnished by a choir composed of Miss Lucile Antrobus, Mrs. Alice Wallis, Mrs. J. H. Langdon, E. L. Maine and M. W. Story, with Miss Louise Pearce, at the piano. The many beautiful floral offerings were cared for by Mrs. William Horton, Misses Hazel Greenwalt, Cecil Day, Lucile Mellor, Margaret Simmons, and Lena Garner. Interment was made in Manchester cemetery.

The True Blue Girls class of the M. E. church enjoyed a St. Patrick's social at the home of Miss Mae Robson, Wednesday evening. The evening was delightfully spent in games, and music was enjoyed, after which delicious refreshments were served.

Mr. and Mrs. Frank Lucas, of Chicago and Edward Blackburn, of Elgin, arrived Thursday, called by the death of their mother and sister, Mrs. G. N. Lucas.

Stanley Funk recently arrived from Atlanta, Ga., where he has been attending a military academy. He will remain at the home of his parents, Mr. and Mrs. L. C. Funk, until June, when he will return to West Point to resume his studies.

Dr. F. M. Ragle of Jacksonville will conduct morning and evening services at the M. E. church Sunday. A cordial invitation is extended to the public to attend.

Miss Florence E. Taylor, county nurse, is visiting the Manchester public school Thursday and Friday.

Supt. Claude H. Griffiths, went to White Hall, Thursday to attend the funeral of his grandfather, Henry Emmons.

Mrs. E. G. Saye, of Jacksonville visited her parents, Mr. and Mrs. J. C. Andras, Sr. Wednesday.

Mrs. G. D. Harms, spent Wednesday with her daughter, Mrs. A. E. Knight and family.

## ST. PATRICK'S FEAST WAS HELD AT BLUFFS

Members of St. Patrick's church Enjoy Annual Event—M. E. Ladies to Hold Country Kitchen—Other Items of Interest.

Bluffs, March 19.—The annual St. Patrick's feast given by the members of the church of St. Patrick, was held at the spacious home of Mr. and Mrs. Thos. O'Brien Wednesday. Members and friends to the number of 35 were present.

The day was spent in music, games, and dancing was indulged in by the younger folk. A bountiful variety dinner was served at the noon hour and after the evening supper the guests spent the remainder of the evening at the "movies."

This annual day of rest and feast is eagerly looked forward to each year, with pleasure. The out of town guests were, Mr. and Mrs. C. M. Meats and daughter, Margaret Pauline, of Springfield; Mrs. C. R. Dugan, Miss Margaret Cody, Beardstown; Harry Rati-gan, mother and sister, Miss Lucy Exeter and Newton Moore.

The Woman's club met with Mrs. J. M. Egan as hostess Thursday afternoon. Despite the rain a goodly number was present and a very interesting program rendered.

The ladies of the M. E. church, will hold a country kitchen at the Post Office building Saturday March 20th. The members and friends are busy raising funds to defray the \$1,000 indebtedness on the parsonage.

Various pledges have been made and no doubt the debt will be cancelled by June 1st, under the direction and leadership of the Rev. E. D. Palmer, who assumed the pastorate of the Bluffs, Exeter and Riggston, circuit last September. Mr. Palmer was born in Derry, N. H., and at an early age entered the University of Boston, Mass., where he graduated with honors 4 years later. He is also proficient in the languages, having mastered five. Latin holds a special charm for him in as much as he has taken a ten years course in that branch. The Bluffs circuit is indeed very fortunate in securing such an able man to fill the pulpit here.

Rev. E. D. Palmer, will conduct a two weeks revival at the M. E. church, beginning Sunday night. A cordial invitation is extended to all.

The ladies of the M. E. church held a "sewing bee" at the home of Mrs. Wm. Vannier, Thursday afternoon. A luncheon of hamburger and coffee was served and a very pleasant and profitable afternoon passed.

The ladies aid of the M. P. church met with Mrs. Anna Oakes as hostess Wednesday afternoon. The afternoon was spent in the regular work and a pleasant time passed by those present.

The Bates 'STEEL MULE' Tractor is here. Come in and see it. JOY BROS. Garage.

### CONSERVATORY NOTES

The young men's glee club gave a concert in Barry on Wednesday evening, March 17th. Miss Eloise Capps played a violin solo and Mr. Robert Shoemaker sang a solo. Both were accompanied by Miss Virginia Bullard.

## Hospitals

Public Health Department

SICKNESS is a misfortune that threatens and generally visits, unasked, every man's door. DEATH is sure to "BUTT IN" sooner or later and claim ALL in sight. We don't like it—We can't help it—We grieve—We mourn—And sometimes desire to take issue with the wisdom of the Omnipotent who is represented in the REAPER.

In short, we display about as much judgment there as we do when we say "I DISLIKE" or "I HATE" this one or that one—Possibly whose name

(To be Continued Next Week — Keep This Section)

## A. H. Kenniebrew, M. D.

Surgeon in Charge

I may not even know—Simply because he or she is too small or too large—or because he or she likes water and I like beer (you don't say). Yes—or because she is too fair or too brown.

GOD MADE ALL TO SUIT HIMSELF, and quite truly He didn't consult your wishes. Had He done so your own personal description or ending would possibly be far different. How do I know? Because you are displeased with His works—Death to such a one is an "eye opener"—"Not my will but Thine, O Lord."

## You, Mrs. Housewife, Should Attend Our Demonstration

Every housewife in this territory should attend the special Factory Demonstration on Leonard Hi-Oven Ranges to be held at our store on THURSDAY, FRIDAY and SATURDAY, March 25-26 and 27. These ranges represent the latest improvement in kitchen appliances. You should see them demonstrated. Come! Taste the delicious baking, too.

## Leonard High-Oven Ranges

### BAKE WITHOUT THE "AKE"

There are in all eighteen styles of Leonard Hi-Oven Ranges. Some burn only coal or wood—others burn gas also. All have the convenient elevated oven that takes the "ake" out of bake—and there are many other work saving features.

### Make Your Kitchen Pleasant

A Leonard Hi-Oven Range is a combination cooking range and heating stove. The same fire that does your cooking and baking heats your kitchen also. You can heat your dining room, too, if you wish. Easily holds fire over night—thus no fires to kindle.

## Reduce High Cost of Living

Do you realize the extravagance of using coal for heating and gas for cooking? Two fuels used where one fuel (coal or wood) with a Leonard Hi-Oven Range will accomplish both purposes. This means a saving of half the fuel. Then, too, there are many economical and palatable dishes that can be prepared in the winter when burning coal that cannot be prepared properly with gas.

### CHAPIN HOUSDHOLD SCIENCE CLUB MEETS

Held Regular Session at Home of Mrs. Monte Funk—Rook Club Met at Reams home—Other Items.

Chapin, March 19. — The Household Science club held its regular meeting at the home of Mrs. Monte Funk, on Wednesday afternoon, March 17, with 18 members and 6 guests present. The meeting opened with the club song, Illinois. Roll call was then responded to by naming nick-name of state and state flower. The minutes were then read and approved. Following came a business session at which time the president appointed an entertaining committee to prepare for the open meeting to be held April 21.

Mrs. Harrison Corbridge, Bluffs then gave two delightful vocal selections: Paper, "Country Life of the Past and of the Present," was then presented by Mrs. B. A. Cratz, which was very interesting.

Discussion, "Soap Making," led by Mrs. Horace Anderson.

Mrs. Reese, of Bluffs, read several selections from Edgar Guest, which were much enjoyed by all.

Ruth Hutchins gave two piano solos and Romandale Fountain, gave two vocal solos which all enjoyed.

There was also Virola music. During the social hour which followed a two course luncheon was served. The first meeting will be held on April 7, with Mrs. Charles Leitz.

Mrs. W. H. Rigg, is visiting her daughter, Mrs. Harry Brockhouse near Versailles.

Turner Antrobus and Earl Fountain, have returned from Flint, Michigan.

Henry Brownlow and John Bobbitt, went with a car load of cattle to St. Louis Monday night.

Mr. Linden, of Springfield, a former resident of Chapin, was calling on friends here Tuesday.

Mrs. W. J. Eads, of Jacksonville, spent several days the past week visiting with Mrs. Ernest Reams.

Mrs. Ernest Reams, entertained the Rook club, on Thursday evening, in honor of Mrs. Eads.

The evening was spent playing "Progressive Rook." Dainty refreshments were served during the evening.

Mr. and Mrs. C. T. Duckett and Dr. Eiler and wife enjoyed the show in Jacksonville Wednesday evening.

Werner Onken, who is attending school in Quincy, visited with home folks, the latter part of the week.

### BRUNDAGE ADDRESSES WHITE HALL MEN

Attorney General Made Favorable Impression on Large Audience of Men—Neutzman Family to Live in South Dakota—Other White Hall News.

White Hall, March 17. — Attorney General Brundage of Illinois came over from Springfield Tuesday and spoke at night to a large audience of men in the Presbyterian church, upon whom he made a profound impression by his plain, practical presentation of the fundamentals of American citizenship. The occasion was the monthly dinner of the White Hall Brotherhood, and efforts to induce a representative attendance to hear Mr. Brundage were highly successful, and he made a lasting favorable impression. Mr. Brundage was the choice of a large following of voters in this section when he was elevated to the position of attorney general, and this more intimate acquaintance with him gives these voters confidence in him which will be loyal to his aspirations for the governorship, if his aspirations he has in that direction.

The congregation of the Christian church, under the leadership of the pastor, Rev. Edgar C. Lucas, is celebrating the completion of interior improvements on the property by a series of meetings entirely out of the ordinary and very important in this critical period of the church history. The meetings are being devoted entirely to the church efficiency movement, and are being conducted by James Schofield, of Peoria, a layman and a church efficiency expert. He will conclude his engagement here next Sunday night, and the results of an application of his ideas of efficient church government will be watched with interest. A union meeting in the interest of the inter-church world movement was held in this church Sunday night last, being one of a series of union meetings for this purpose, in which the Baptist congregations are taking no part.

The death of Henry (Hank) Emmons at 4 o'clock this morning removes a resident who came here from New Jersey at an early day, and who has resided here for nearly sixty years. He was past eighty years of age. He was prominent and well-to-do in his earlier years, and at one time conducted a brick yard immediately west of the Fairbanks residence on North Main street, which was quite extensive for that day, and he furnished the brick for the Methodist and Presbyterian church structures that were built in the seventies. He then settled in the clay mining region east of town, and was engaged in hauling clay to the factories in town by team until the advent of the industrial electric railroad about ten years ago, practically ending the business of hauling clay to town by team. For the past several years he has resided with his daughter, Mrs. Charles Young in Maple Heights, and there his death occurred as the result of frailties due to old age. There are two other children surviving, Mrs. William Elliott and Floyd Emmons, both of White Hall.

The local post of the American Legion has opened quarters in the Fischer building, over the Miller jewelry store, and the rooms are being equipped with conveniences for reading and various modes of pastime under the direction of George Vermillion, who is at present in charge.

Arthur Neutzman is loading his household goods for removal to Isabel, South Dakota, and he and Mrs. Neutzman will probably get away this week. They have resided here since he was discharged from the army following the armistice, and has been assistant to his brother, W. P. Neutzman, the C. & A. agent here. At the time he was drafted Arthur was subjected to severe sacrifices in having to leave his claim in South Dakota and disposing of a bunch of promising live stock. He was just getting a good foothold out in that country, and had been honored with the office of superintendent of schools of his county. After a couple of years in a clerical capacity here, he feels the call to return to South Dakota without a war to health and fortune. This is a splendid couple, and they leave many friends here.

Dr. A. W. Foreman is in receipt of a letter from his old friend, Col. John B. Sobieski, of Los Angeles, who will be remembered by a number of people in this section as a temperance lecturer. He is the lineal descendant of King John of Poland, coming to America under most harrowing circumstances as a boy, and distinguished himself during the civil war. He has since been on the lecture platform, and begins his 1920 tour next month by filling dates in Wyoming, Montana and Oregon, hoping to be able to come to White Hall during the year, where he spent considerable time twenty and thirty years ago when he was engaged in temperance work. He has written a book on King John that is a fascinating presentation of the heroism and patriotism of the Polish people when they ruled themselves through a king who really was chosen by a representative body of the people, the absolute monarchy falling to the next in line, Col. Sobieski is now past eighty years of age, and it would be a grand thing to welcome him back to White Hall.

### Farm Bureau Notes

What the Farm Bureau Can Now Do.

We have had complete soil maps of Morgan County for some time. Recently a committee of farm advisers and subject matter men from the College of Agriculture made a report advising soil treatment for the various types of soil shown on that map. If any one cares to know what the soil types on his farm are and what the recommendations are for the soil, the County Agent will be glad to give that information. Lastly there has come a special crop committee report with advice as to the varieties best adapted for these soil types. This is for the public. However, the information is technical in character, and it will be necessary to call when the county agent is in the office to get these facts. We consider the soil survey, soil maps, recommendations for soil treatment, and variety recommendations a decided advance.

Rebates of F. B. and I. A. A. Dues

Previous to the combined membership campaign 25 Morgan County farmers had already joined the I. A. A. J. C. Sallro authorized the executive committee of the farm bureau to rebate these men the portion of their dues for the unexpired year paid for in the event they enrolled for three years under the new plan. At the same time quite a number of new members had joined the farm bureau during the year and had paid their dues in advance. The executive committee offered to rebate these as well as old members who had paid in advance for 1920 in a manner similar to that offered by the I. A. A. in the event they enrolled for three years under the combined plan.

These rebate checks will be mailed out soon by the President Charles S. Black and Secretary Harry J. Rice. The checks would have been mailed sooner but for the fact that all hands at the farm bureau office have been busy with organizing the records of the large membership drive as well as ordering seeds, placing farm hands, and making out income

tax returns. Very few people realize what draft has been made upon the time and energy of the members of the executive committee particularly the president and secretary during the past two years. At times the farm bureau has seriously conflicted with their farm duties. These combined circumstances have slowed the matter of rebates, but they are certainly on the way.

Exchanges Thru the F. B. Office

It is the declared policy of this farm bureau to issue a circular to the members twice a month one feature of this circular is an exchange list in which members may advertise without additional expense. With the larger membership this exchange list is growing in a way that makes it valuable. Members frequently sell farm products thru this medium. In addition when inquiries come to the office, personal letters are written to the inquirer or else the information is given orally. Frequently personal letters are written to other county agents concerning products which members in this county have to sell.

**NOTICE TO TAXPAYERS**

The tax books are now in the collector's office and is a judgment against all parties mentioned therein.

Parties paying on personal tax only, should pay the same promptly and avoid trouble and expense in collecting same. The judgment reads as follows: In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such person. Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

**W. H. WEATHERFORD,**  
Sheriff and Ex-Officio Collector

## Compare the New Paige Glenbrook With Other Five Passenger Cars

We do not hesitate to suggest that you compare the beauty of the Paige Glenbrook with that of other cars you see on the public highways.

We know you will agree that this new Paige Model is indeed "The Most Beautiful Car in America."

And we would not be satisfied if you should confine your comparison to appearance alone.

Visit our show rooms and give the new Glenbrook a thorough inspection. Seat yourself in the tonneau or in the driver's

seat and note the generous leg-room and the comfort of the soft upholstery. Then arrange for a ride to test its performance. The more thorough your investigation, the more convinced you will be that the Paige Glenbrook is indeed the most beautiful, comfortable, economical and dependable of all five-passenger motor cars.

Investigate the new Larchmont "Sport Model", seven passenger touring, and closed models in Coupes, Sedans and Limousines on both side chassis. The pride of ownership is in the "PAIGE SIX".

### NEW MOTOR BIG FACTOR OF THE PAIGE LINE

Company's Own Design and Product Represents Three Years' Work.

Models for Current Season Offer Many Interesting Features

After three years of thorough study on the part of its engineers, the Paige-Detroit Motor Car Company is introducing a new motor of its own design and make. This important acquisition is one of the many features of the new line of Paige open and closed passenger car models as exhibited at the show rooms of L. F. O'Donnell.

Included in the new line are the Glenbrook "6-42," a five passenger light six; the "6-55 Essex" seven passenger touring car; the Larchmont, a very distinctive four-passenger sport model; the seven passenger Sedan built on the larger chassis; a five passenger Sedan built on the smaller chassis; and a novel five passenger Coupe built on the larger chassis.

"The designing of a new motor, built by our company, that we could offer as the last word in engineering practice, and the development of manufacturing facilities, to meet the demand for our product that has therefore kept beyond our utmost production are the outstanding tasks that have recently engaged us," says L. F. O'Donnell, Paige distributor for this section of Illinois.

"With every facility for research and experiment our engineers have been working with one definite object in mind—the production of a power plant of the maximum efficiency. This has been accomplished and we are especially proud of the fact that it is an original Paige product, conceived by Paige engineers, built by Paige mechanics in the Paige shops.

"In it we have incorporated every approved feature that is known to automotive engineering. Thanks to the experience we gained during the war our new motor represents many valuable features, both as to design and as to precise manufacture.

"The Paige has increased its plant and production equipment enormously during the last few years. The manufacturing facilities were greatly enlarged during the last twelve months. Yet the demand for Paige cars has ever continued in excess of our production and during the last year the Paige company had orders for more than 32,000 cars that they were unable to fill.

"In view of this we believe one of the most important announcements we have to make at this time is the fact that the new plant which we arranged for some time ago is in operation. It gives us the facilities for the building of our new Paige motor, and also enables us to double our production of both passenger cars and

trucks. This new plant is operational.

"The Glenbrook '6-42' model, in addition to our present facelifted model, is an especially popular feature of our line. We believe the design, with its straight line, double cowl, full crowned fenders and harmonious treatment will be found worthy of our reputation for beauty. There is ample room for five adult passengers and with its 212 cubic inch, scientific distribution of weight, spring suspension and other features it offers exceptional comfort to the rider. The gas tank of the Glenbrook is in the rear.

"Thousands of orders are now placed for our new series seven-passenger Essex and the smart Larchmont sport model which has made an extraordinary impression because of the originality and distinctiveness of its design. The new Paige enclosed models attract a great deal of attention, because in our opinion they are the hand-somest examples of the art of coachmaking and the most luxuriously appointed cars we have ever turned out.

### WILLING WORKERS OF GRACE CHAPEL MET

Mrs. Wall Mason and Daughter Entertain Members of Society—Other Neighborhood News Notes of Interest.

Mrs. Wall Mason and daughter Maria entertained the Willing Workers' society at their home Thursday afternoon. On account of weather conditions and sickness there were not many in attendance. Nevertheless a good meeting was held after which refreshments were served by the hostess. The April meeting will be at the home of Mrs. Hattie Ogle.

Rev. Yemm was able to fill his appointment at the Chapel Sunday afternoon, this being his first time since having the flu. We were very glad to have him with us again.

Charlie Brainer and Harry Barber were in Springfield Thursday and Friday to visit Charlie Loughary who underwent an operation at a hospital there Thursday. He stood the operation fine and is doing very well at the present.

Lloyd Ogle and wife of Concord spent the week end with home folks in this vicinity.

Miss Eva Brockhouse returned to her home in Missouri after having spent the winter with her aunt, Hattie Valley and other relatives in this vicinity.

Melvin Smith and wife attended the A. W. Peterfish sale at Liberty Tuesday.

Mrs. Rena Brainer was called to Jacksonville, Sunday on account of the sickness of her son Murrell.

Jack McGinnis, wife and little son visited at the home of R. P. Goodpasture Monday afternoon.

Floyd Goodpasture and wife were Sunday visitors at the home of John Gindor.

Dr. Wilson of Arenville made a professional visit in these parts Saturday and Sunday.

Mrs. Nellie Brainer and children spent Sunday afternoon with her mother, Mrs. Loughary.

Roscoe Goodpasture and wife were visitors of relatives in Arcadia Sunday.

Mrs. Martha Loughary and son Jesse were Concord visitors Wednesday.

Noah Brainer, wife and family were visitors in Virginia the latter part of the week.

The Missionary society will meet at the home of Mrs. Maggie Parlier Thursday afternoon, March 18th.

### PAIGE ENCLOSED CARS HAVE NOVEL FEATURES

Five Passenger Coupe Part of Line—Beauty and Luxury Characteristic of Models.

Something new in enclosed cars is found in the Paige line for this year. This is a five-passenger Coupe which the Paige have built on their big Six. While the car offers the coziness of the usual Coupe, it also has some of the advantages of the Sedan, as it has been arranged so that five adults can ride in comfort. There has been no compromise in the design and arrangement of the front seats.

Another popular feature of the Paige enclosed line is the five-passenger, four-door Sedan built on the smaller chassis; and the seven passenger Sedan, built on the larger chassis, is also greatly in demand.

"We have won considerable reputation for the beauty of our models as the phrase 'The Most Beautiful Car in America' would indicate," says President Harry M. Jewett of the Paige, "but we believe we have the handsomest cars this year we ever have turned out and they are certainly luxurious in equipment and appointments. All our enclosed cars contain a dome light, small rear lights in each corner, vanity cases and cigar lighters.

"The exceptional advantages offered by such comfortable enclosed cars as these, with their window arrangements that enable one to transform them quickly into models as open as a touring car, are now generally recognized and consequently enclosed cars have ceased to be a seasonable proposition. They are now considered cars for all-the-year-round service."

### REV. EDGAR ALLEN TO PREACH AT WOODSON

Minister of Auburn, N. Y., to Fill Christian Church Pulpit Sunday Morning and Evening—Other Woodson Items.

Woodson, March 17.—Mrs. Bryan Sheppard and little daughter of Virgen were callers at the home of Mr. and Mrs. Ed. Gallagher Tuesday. Mr. and Mrs. Clifton Smith and son Howard, have moved to Jacksonville. Mr. and Mrs. F. E. McCurley moved to the Mrs. Grev place near Straw's crossing Wednesday. Mr. and Mrs. Howard Hayhurst will move to the place vacated by the McCurleys. Rev. Edgar Allen of Auburn, N. Y., will preach next Sunday at the Christian church morning and evening. Mrs. George Goacher of White Hall returned home Wednesday, after a couple of days visit with friends. On Wednesday evening, March 24, there will be a "Get-together Meeting" at the Christian church, for all the men of the church. There will be a speaker from out of town who will address the men on a very interesting subject. A general good time is anticipated. The high school of the church will serve a banquet. Miss Stella McCurley attended the senior high school in Murrayville, Tuesday evening.

### NEW PAIGE PLANT IS GOOD NEWS FOR BUYERS

Four Million Square Feet to Double Production.

Paige executives are particularly happy and enthusiastic these days because the new plant, which has been sorely needed, is in operation and will double the production of Paige cars and Paige trucks. This is welcome news to Paige dealers throughout the country who have turned in so many orders that over 32,000 of them during the last year could not be filled.

The Paige retains its present factory for certain operations. The new plant, which has been under way for months, is located in a fast growing western section of Detroit where ample space and road facilities are obtainable. The total area of the plant is four million square feet, so it is evident there will be an abundance of manufacturing space.

The various units are, of course, modern in every respect. The construction is steel and concrete. In designing the machine shop the architect has been successful in reducing the number of posts to the minimum. The space between the posts is 69 feet and the overhead is 35 feet. It is claimed that it will be the best lighted machine shop in Detroit.

This unit was the first to rise and it comprises 60,000 square feet. Other units are the motor assembly, 20,000 square feet; and truck assembly, 40,000 square feet. The balance of the space is divided among factory offices, stock room, inspection, receiving, etc.

With the new plant completely in operation it employs between 4,000 and 5,000 men, so there is every prospect that in 1920 there will not be as many disappointed prospective Paige purchasers as there were in 1919.

### AID SOCIETY NETS NEAT SUM AT SALE

Asbury Aid Society Clears \$68 at Lester Reed Sale—Miss Nellie Hemmrough Returns From Greenfield Visit—Other News Notes.

Asbury, March 15.—Asbury Aid Society cleared \$68.00 at Lester Reed's sale. Joseph McGinnis was a business visitor in St. Louis last week. Edward Barrows returned home Thursday from a visit in Springfield. Mr. and Mrs. Wilbur Hemmrough and son Edith of St. Louis, Mr. and Mrs. William Reed and Mr. and Mrs. Carl Hemmrough were Sunday guests of Mr. and Mrs. George McKean. Mr. and Mrs. C. L. Hemmrough spent Wednesday at the home of Mr. and Mrs. A. L. Green in South Jacksonville. William Mortimer and son Earl spent the first of last week with relatives in East St. Louis. T. S. Hemmrough and daughter Helen and Mr. and Mrs. Earl Hemmrough and daughter Pauline spent Saturday evening at the home of Carl Hemmrough. Mrs. Harry Trotter spent Friday with Mrs. George McKean.

## Paige Motor Trucks Assure Economical and Dependable Service

The one consideration perhaps, above all others, which is leading to the adoption of Paige Motor Trucks for so many diversified haulage purposes is its efficiency in action.

It has proven in actual service that it possesses not only the basic strength to enable it to carry capacity loads regardless of road and weather conditions but that it also has the necessary stamina to insure a long life of uninterrupted service—a service featured by low operating cost and remarkable freedom from repair expense.

The PAIGE line consists of 1½, 2½ and 3½ ton trucks to meet the demands of any hauling problem.

The 1½ ton, which is the FARMER'S SPECIAL, with pneumatic tires, has a power take-off for use on the farm in any capacity where the gasoline engine is now used for power.

If you are contemplating the purchase of a motor truck, it will be to your interest to investigate the Paige line before you make a definite decision.

When you have learned more fully about the mechanical features of the Paige, you will agree with us, we believe, that there is no more economical or dependable motor truck on the market today than that which bears the Paige nameplate.

In the evening a stereopticon lecture will be given on the Passion of Our Savior. A cordial welcome is extended to all.

Mt. Emory Baptist Church—Corner Church and Marion a morning service begin 10:45 A. M. Prof. Rodgers, Field Secretary for Western States College, will speak at Sunday school 2:30 P. M. Evening services at 7:45 Prof. Rodgers will speak. All are welcome to these services.

Trinity Episcopal Church—J. F. Langton, Rector, Prof. J. G. Ames, S. S. Supt. 5th Sunday in Lent. Early service 7:30. Sunday school 9:30. Morning prayer and sermon 10:45. Monday, Auxiliary at 3:00 in Rectory. Tuesday Guild all day. Litany and address 4:00. Friday early service 7:30. Litany and address 4:00. First Church of Christ Scientist

Services are held at 523 W. State Street, on Sunday at 11 A. M. and Wednesday at 8 P. M. Subject "Matter." Sunday school is at 9:30 A. M. The reading room is open each week day from 3 to 5 P. M. The public is invited to attend the services and to visit the reading room.

Centenary M. E. Church—D. V. Gowdy, Pastor. Sunday school at 9:30. A. C. Metcalf, superintendent. Morning worship at 10:45. Thank offering sermon for the Woman's Foreign Missionary society. "What did Phoebe do?" Epworth League service at 6:30 P. M. Russel Arter, leader. Evening worship at 7:45. Sermon subject, "The Young Man Four-square."

Brooklyn M. E. Church—G. W. Randle, pastor; J. H. Reid, Sunday school superintendent. Sunday school at 9:30 A. M. Public worship at 10:45 A. M. and 7:30 P. M. Sermon subjects, "Christ our Advocate," W. F. M. S. Anniversary. Evening, "Lot's wife." Epworth League devotional meeting, 6:30 P. M. Prayer meeting, 7:30 P. M. subject, "The Soul Winner's Life."

First Baptist Church—Corner State and Church Sts., A. A. Todd pastor. Bible school 9:30 A. M. Carl Weber, Supt. Are you helping to make the school a standard school by your attendance and cooperation? The pastor will speak at 10:45 A. M. and 7:30 P. M., on the themes, "Work and Workers," and "Man's Part in his Own Salvation." Junior Union 3 P. M. led by Miss Laura White, with special message by the pastor. B. Y. P. U. 6:30 P. M. topic "Everyday Courtesies." Mid-week service, Wednesday 7:30 P. M. Usual services at Baptist Chapel leader, Wm. Baston.

The Congregational Church of Jacksonville—W. Ernest Collins, minister. The services of the day commence with the church school which opens at 9:30. At 10:45 morning worship; sermon subject "The Persistence of Love," sermonette for young people, "Fighting Giants." Music by

Westminster Presbyterian Church—Edward B. Landis, pastor. The Sunday school begins at 9:30. The superintendent is always glad to see the program begin on time, with all classes well represented. Morning worship is at 10:45, sermon by the pastor. Subject of sermon, "A Front Line Life." Evening worship at 7:30, when the pastor will speak on "The Catholic Spirited Disciple." At the C. E. society, which meets at 6:45, in connection with the regular service, a communicants class will be conducted. This church begins her pre-Easter services Sunday and will conduct services each evening during the week at the church, beginning at 7:30. The session most earnestly solicits the co-operation of all, and invites the friends of the church to share in these services.

State Street Presbyterian Church—Rev. W. H. Marbach, minister. T. M. Tomlinson, S. S. Supt. and Mrs. W. Barr Brown, Choir leader. The old prophet Melachia asked, "Will a Man Rob God?" An answer for our day is this, that comparatively few people attend church even once on Sunday, and then for about an hour. Fifty two hours in the year for God and three hundred and sixty five days for self. If parents realize that even a child with a perfect Sunday school attendance has less than twenty four hours of religious teaching a year we surely would have a better attendance at the Sunday schools of Jacksonville. Not until men and women are willing to give the church of Christ at least one twenty fifth the chance they give the public day schools will the kingdom of God advance very far in the life of the new generation of America. You are invited to cooperate in the work and worship of this church and Sunday school. Come and bring your friends. Services at usual hours.

Northminster Presbyterian Church—Walter E. Spoonst, minister. Preaching at 10:30 a. m. and 7:30 p. m. Dr. Thomas Smith of New York will preach at the morning hour. A cordial invitation to all to hear Dr. Smith. The pastor will preach at the evening hour and his subject will be "Playing the Fool." This will be a practical talk on some of the every day things of Jacksonville, this will be the beginning at the pre-Easter service that will last for two weeks. Services every night at 7:30 except on Saturday night. There will be three Preachers here to help the pastor, Rev. Wiles of Virginia, Rev. Harry of Petersburg and Rev. Talbot of Sangamon Bottom. Sunday school at 9:30 a. m. William Bieber, superintendent. Christian Endeavor at 6:30 p. m. Thanks to Team No. 10 for the splendid luncheon last Wednesday night. Team No. 11 will serve next Wednesday evening. Everybody invited. The pastor is very much encouraged over the way the men of the church promised to stand by him in the pre-Easter meetings.

Central Christian Church—M. L. Pontius, minister. Bible school at 9:30 a. m. You are cordially invited to attend the Sunday school if you are not attending elsewhere. Morning worship at 10:45. The theme of the sermon will be "Coming Into Christ." Evening worship at 7:30 with sermon on "The Wesleyan Reformation." Christian Endeavor services at 6:30 p. m. Leader of Senior C. E. Mary Dewees of the Intermediate, Helen Decker and of the Junior, Ernest Olds. A hearty invitation is extended to the members, friends and to the stranger "within our gates" to worship here.

### IN HONOR OF MAJOR McDUGALL

The members of the Morgan County Monument association regard with sincere sorrow the death of the worthy chairman, Major C. E. McDougall. He was a brave soldier, an upright and useful citizen and in every walk in life lent himself unsparringly for the welfare and benefit of his fellow men. He was a man who stood high in the estimation of the public wherever he was known and his death is a great loss to this community as well as to our organization.

We especially appreciate his untiring efforts in securing the erection of a worthy monument to the memory of the soldiers and sailors of the civil war and we feel that much of the success of that enterprise is due to his earnest and capable efforts.

We most deeply regret the fact that he failed to see the work completed as should have been the case two years ago yet even now it will ever stand as a lasting token of his faithful efforts in behalf of the memory of his comrades both living and dead. The secretary is hereby instructed to send a copy of this minute to the family of our deceased chairman, one to the city press and spread one on the records of this body.

S. W. NICHOLS, Chairman Morgan County Monument Association. C. H. RAMMELKAMP, Secretary

## The CHENEY

For Culture in the Home

Familiarity with the musical masterpieces of the world is essential to true culture.

To be familiar with these masterpieces as reproduced by The Cheney is to know them intimately. For Cheney reproductions are marked by a fidelity to the original which is distinctive. All of the loveliness of tone and the rich quality imparted by the artist are restored in their true beauty, unimpaired.

It is the result of entirely original acoustic inventions, evolved and perfected in The Cheney and found in that instrument alone.

### Cheney Violin Resonator

Suspended free from the cabinet walls so that it vibrates as tones pass through it, the Cheney Violin Resonator adds rich quality to Cheney Tones.

Further, it imparts to The Cheney that rare quality of the violin: "THE LONGER YOU PLAY IT, THE SWEETER IT GROWS."

## PAIGE

THE MOST BEAUTIFUL CAR IN AMERICA

THE driving compartment in the Larchmont four passenger model is a revelation to most people—a blessing to the man behind the wheel. It was designed for luxurious ease and that means there is arm room, elbow room and leg room in abundance.

Most cars, you know, are obliged to compromise on seating space—but not the "Larchmont". It was designed to make four people supremely comfortable, and a combination of long wheel base and closer coach work has accomplished just this result.

## IMPORTANT MEETING OF MEREDOSIA REBEKAHS

chool of instruction held Thursday with State Examiner Present—Other News Notes of Interest From Meredosia.

Meredosia, Ill., March 20.—A school of instruction was held Thursday afternoon and evening at the O. O. F. Hall with Mrs. Grace Henry, State examiner of sandwiches, as instructor, who acquitted herself admirably in the position in which she presided. Her pleasing personality won for her a wide circle of friends during her stay here. At the close of the evening a two-course luncheon was served.

Albert Nunn has moved his barber shop from the Baujan building to the room formerly occupied by J. Reich as a grocery store.

## EASTER JEWELRY

Everyone can be well dressed these days and jewelry gives that finished air of distinction most desired. Call in and have us suggest a few appropriate pieces. Strings of Pearl Beads are popular now and very rich as well. LaValieres and Brooches are well received. Your dress is not complete without a set ring of which we are showing a very large and beautiful assortment. Vest chains in Silk and Gold are very dressy and Scarf Pins are a necessity; you should have several.

Our diamond display is now at its best. In mounted gems exclusiveness of design is the rule.

**Price's JEWELRY STORE**

East State Street

Frank and Carl Skinner furnished music for a dance at Mt. Sterling Wednesday.

Mrs. David Brakeville who has been in poor health for several months is gradually falling with no hope of recovery.

C. P. Hedrick has been on the sick list the past week.

Mrs. Senthay and son Archie have been confined at home the past week with an attack of the flu.

L. E. Deppe of Jacksonville was a visitor here Friday.

Mrs. S. I. Harwood of St. Louis is spending the week with her parents, Mr. and Mrs. W. J. Hale.

Mrs. J. D. McLain returned Friday from a visit with her daughter, Mrs. Royal Kratz at Oquawka.

Dr. F. C. Yeck was a visitor in Jacksonville Friday.

Morris McLain returned Friday from Dallas where he had been on a business trip.

The steamer Lancaster was compelled to tie up here Tuesday on account of the wind.

The W. F. M. S. held their thank offering social at the home of Mrs. H. H. Hamman Wednesday afternoon. The decorations were in keeping with St. Patrick's Day. The afternoon was pleasantly spent and the offering amounted to about twenty-two dollars.

Mrs. Harry Ratigan has resigned her position as primary teacher in the school and her place is being filled by Miss Esther Yeakel.

Dr. H. H. Hamman, wife and son Bernard visited Rev. Peter Kittel and wife at Camp Point Friday.

Mr. and Mrs. Robert Freeland announced the arrival of a daughter at their home in Pittsburg, Penn., March 11. The little one has been given the name of Virginia Marie.

Mrs. Thomas McGinnis arrived home Thursday from an extended visit with her daughters at Port Arthur, Texas.

Dr. Sib Wilson, District Deputy Grand Master of Versailles, attended Masonic lodge here Tuesday evening when the second and

third degrees were conferred upon candidates after which a delicious luncheon was served.

Mr. and Mrs. Edward Hamman returned Tuesday from Lincoln where they had been visiting relatives.

Rev. Fred Reed attended a meeting of the District Centenary committee at Quincy Tuesday.

Thomas Hyatt has been quite ill the past week but is slowly improving at this time.

William Pond of New Canton spent Wednesday in this city.

## ILLINOIS COLLEGE NOTES

The officers of the Jacksonville Alumni Association have selected the date of Friday evening, April 9th for their annual banquet. The banquet will be served at the Christian church.

Devotional services will be held at Academy Hall Sunday evening. Rev. Walter Mitchell '23 will speak on "The Significance of How We Believe."

Preparations for the Financial Campaign, which is to be conducted in Morgan County from April 11 to 17, are progressing. President Rammelkamp has been asked by the trustees to assume general charge of the campaign. The College authorities are greatly encouraged by the voluntary subscriptions which come to the office. Among these voluntary subscriptions was, for example, a check for \$200 which recently came to the office from the Jenkinson and Bode Grocery Company.

Beecher Dining ex '18 of Fort Worth, Texas, has been visiting friends in the city for the past week.

The College Glee club made a trip to Barry Wednesday to sing at a revival meeting. They also sang at the chapel exercises at the Barry High School Thursday morning.

Richard Hobson '22 has returned to school after a severe illness of several weeks. Don Henry '23 returned to school from his home in Greenfield Thursday. He has been confined to his home for several weeks with pneumonia.

## FARM BUREAU TO HAVE NEW QUARTERS

Rooms in Rabjohns & Reid Building Will Be Occupied April 1st—Executive Committee Held Busy Session Saturday.

The executive committee of the Morgan county farm bureau had a meeting Saturday. A number of important matters were considered and not the least of these was with reference to new headquarters. For some time various possible locations have been under consideration and yesterday it was decided to lease the rooms in the Hockenhull building now owned by Rabjohns & Reid and formerly used by the Chamber of Commerce. There are two rooms available for use, one of them more spacious than the bureau now has. With a thousand members the work will of course be considerably increased and more space is greatly needed. The change will be effective April 1, so that the removal from the court house room will be only ten days distant.

If still further space is required, it is possible that an additional room in the building can be secured.

Members of the executive committee and County Agent G. E. Kendall were guests of Charles S. Black, president of the club, at luncheon at the Duquesne House Saturday noon. At this time the discussion of various matters relating to the organization was begun and continued at the business session held in the afternoon.

The members of the executive committee in addition to Mr. Black are as follows: C. A. Rowe, vice-president; H. J. Rice, secretary; W. H. Crum, crops; C. J. Wright, livestock; F. J. Black, treasurer; C. E. Drake, projects; O. A. Rohrer, farm management.

The Morgan County Breeders' association will hold a meeting and banquet at the Pacific hotel next Thursday, March 25, at 7 p. m. This meeting will be held for the purpose of discussing a sale pavilion for Morgan county. Any member of the Morgan county farm bureau is invited. If you intend to be present it will be necessary to telephone to the farm bureau office by noon Wednesday for a reservation.

In the semi-monthly letter just issued by the county agent to members of the bureau the following suggestions are made. In addition to this and other subject matter, the letter includes about fifty items under the general exchange list.

**Danger From Hessian Fly.**  
The chief field entomologist of the State of Illinois informs us that only about 5 percent of the Hessian Fly in the flaxseed stage have been killed by weather conditions this winter. As the parasites which tend to hold the fly in check are very scarce, it is probable that the spring brood will be very abundant.

For this reason, spring wheat should not be sown near infested fields of winter wheat, as this spring wheat will certainly be attacked by the spring brood. Oats may be safely sown near infested wheat fields as the fly never attacks this plant.

**Inoculating Legumes.**  
If you are going to sow sweet clover or plant soy beans this spring, the seed must be inoculated for the best results. The "Muddy Water" is the most satisfactory method.

1. Secure soil from around the kind of plant to be inoculated. Sweet clover soil can be found along roads or waste places in many parts of the county or alfalfa soil can be used for sweet clover. This soil should be dried at room temperature, to handle nicely and then screened through about 1-10 inch mesh.

2. Put equal parts of inoculated soil and water into a sprinkling can and stir to make a smooth muddy paste.

3. Pour the muddy paste over the seed and with sleeves rolled up work it with the hands till each seed has a coating of dirt. If they are still moist, sprinkle a little dry dirt to take up the moisture.

**SUIT FOR DIVORCE**  
A suit for divorce was filed Saturday in the office of Circuit Clerk Boston by Mrs. Ethel Crouse who is seeking separation from her husband, Elisha Crouse. They were married in June, 1907, and their home was maintained until November last. Mrs. Crouse seeks divorce on the ground of cruelty and wishes to keep the custody of their two children. W. W. Wright is her attorney.

L. P. Cowdin and E. G. Deweese of Joy Prairie neighborhood were among visitors in the city yesterday.

## ANNOUNCE DATE FOR ANNUAL CONCERT

Celebrated Artists Will Appear in Annual Spring Concert of Woman's Club—Will Be Musical Event of Season.

Mrs. Barr Brown who is in charge of the annual spring concert of the Woman's club announces that the date of the concert will be Thursday evening, April 15.

The artists who will appear this year are, Mae Graves Atkins, soprano of the Chicago Opera company and the celebrated English 'Cellist Vera Poppa.

It is seldom that two such noted artists appear in joint recital and the event promises to be the best ever given under the auspices of the Woman's club.

The concert will be given in Northminster church for members and guests and will be the musical event of the local season. It is probable that with two such artists that the music loving public from many adjacent cities will be attracted.

**FOR SALE**  
Five span of three year old mare mules—extra good. Sam Challiner, Joy Prairie, Ill. phone 5225.

## SICK WOMEN HEAR ME

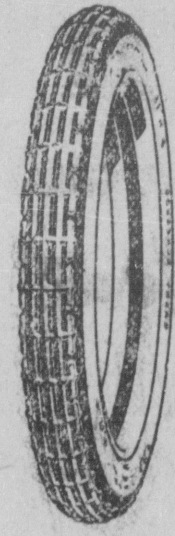

You Can Be Free from Pain as I Am, if You Do as I Did.

Harrington, Me.—"I suffered with backache, pains through my hips and such a bearing down feeling that I could not stand on my feet. I also had other distressing symptoms. At times I had to give up work. I tried a number of remedies but Lydia E. Pinkham's Vegetable Compound did me more good than anything else. I am regular, do not suffer the pains I used to, keep house and do all my work. I recommend your medicine to all who suffer as I did and you may use my letter as you like."—Mrs. MINNIE MITCHELL, Harrington, Me.

There are many women who suffer as Mrs. Mitchell did and who are being benefited by this great medicine every day. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

Lydia E. Pinkham's Vegetable Compound contains no narcotics or harmful drugs. It is made from extracts of roots and herbs and is a safe medium for women. If you need special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

## Spring is Just Around the Corner

## LEXINGTON

Buy a Really and Truly Good Car and You Will Never Drive Anything But a Lexington Again.

With the Moore multiple exhaust and Lexi-gasifier you get more power and speed than with the ordinary system. Also more miles to the gallon of gas with low grade fuel than is possible with high grade fuel with the ordinary system. Every particle of gas enters the cylinder dry. No thinning of lubrication oil by unburnt particles of gas. Also TWO-WAY LAMPS which makes dimming of lights unnecessary when meeting another car. In fact there are so many good features on the Lexington that you must see and ride in it to fully appreciate it.

CORD TIRES ARE REGULAR EQUIPMENT

## Announcement No. 2

As announced in our previous advertisement we will open 100 New Stores this Spring. Nine of these New Stores will be located in Illinois, as follows

Store No. 199 at Champaign, Ill.  
Store No. 201 at Peoria, Ill.  
Store No. 212 at Kankakee, Ill.  
Store No. 249 at Jacksonville, Ill.  
Store No. 253 at Mattoon, Ill.  
Store No. at East St. Louis  
Store No. 284 at Centralia, Ill.  
Store No. 286 at Dixon, Ill.  
Store No. 290 at Rockford, Ill.

Previous to this year we had established in Illinois, stores

No. 137 at Moline, Ill.  
No. 193 at LaSalle, Ill.

Making a total of Eleven Stores that we will operate in this state

WATCH FOR LATER ANNOUNCEMENT SHOWING LOCATION OF ALL OF OUR 297 BUSY STORES IN 28 STATES

## WHO WE ARE---

It is quite natural to inquire about any newcomer in your midst. So we answer the question in advance.

J. C. Penney Co. owning and operating 297 stores, is the outgrowth of a small store started in Kemmerer, Wyoming, in 1902. Ever since that first store was opened the principle that has guided this present day Nation Wide Institution has been the Golden Rule. With fullest consideration for everyone, serving all alike, our reward has been ever increasing friendships that enable us to constantly enlarge our field of service and consequently benefit a greater number as we go forward.

WATCH FOR OUR NEXT AD.—SUNDAY, MARCH 28TH

## J. C. Penney Company, Inc.

H. K. Dorr, Manager

## GARDEN SEEDS

We again call your attention to our line of garden seeds. They are a fresh lot and there is not an old seed among them. Every seed is tested.

### Stoves for Warm Weather

We can save you money on oil or gasoline stoves. We bought our stock before this last raise and will give you the benefit of our foresight. But we suggest to you to come in now and pick out the stove you want—tomorrow may be too late. Do not forget to order those repairs for that machine that it may be ready when you want it. Remember we carry a full line of INTERNATIONAL HARVESTER COMPANY implements and have a line of repairs for their mowers and binders

purtenances.

## NOTICE TO BIDDERS

Sealed Proposals, endorsed "Proposals for Water Filtration Plant and Appurtenances" will be received by the Clerk of the City of Jacksonville, Illinois, until 10 o'clock, A. M., on the 24th day of March, 1920, and will be publicly opened according to law.

The work for which proposals are invited includes the construction of a mechanical filtration plant of the gravity type with a rated capacity of about 1.5 million gallons per 24 hours, including an aerating basin, coagulating basin, filters, filtered water reservoir, line house, piping, conduits, and all appurtenances in accordance with plans and specifications on file in the office of the City Clerk and at the offices of the Engineers, Pease & Greeley, 29 W. Adams Street, Chicago, Illinois.

Proposals are invited under the following divisions:

Division A—Excavation, construction, work, reinforcing steel, masonry construction, sewerage and the like.

Division B—Filter equipment and appurtenances.

Proposals may be made on one division or on both divisions complete, but not on any part of any one division. A proposal may also be made on both divisions as an entirety. The City may accept the most favorable proposal for any one of the divisions except proposals on all divisions as an entirety.

The work is located in the City of Jacksonville, Illinois.

Each proposal must contain the full name of every person or company interested in the same and must be accompanied by a certified check or surety bond, acceptable to the Clerk of said City, in the sum of \$10,000, as a guarantee that if the proposal is accepted a contract will be entered into and its performance properly secured, in the following sums:

Division A—Nine Hundred Dollars (\$900.00).

Division B—Four Hundred Dollars (\$400.00).

Divisions A & B, as an entirety—Eleven Hundred Dollars (\$1,100.00).

All proposals must be made upon blank forms furnished by the City of Jacksonville, and in accordance with the "Requirements for Bidding and Instructions to Bidders" attached thereto.

The City Council reserves the right to reject any or all bids, waive any informality in the bids received and to accept any bid deemed most favorable to the City of Jacksonville.

Specifications, forms of proposal and plans may be obtained from the City Clerk, or at the office of Pease & Greeley upon deposit of Five (\$5.00) Dollars. Such deposit will be returned if said plans and specifications are returned in good condition within Thirty (30) days after the opening of bids.

The City of Jacksonville, Illinois.

By E. E. CRABTREE, Mayor.  
R. L. Pyatt, Clerk.

Division A—Shall consist of the following: Excavation, concrete foundations, conduits, well, potings, concrete floors, concrete walls, concrete chimney base, concrete columns, concrete balconies, concrete machinery foundations, concrete stairways, steel foundation bolts, reinforcing steel, industrial track, ties, cinders sewerage pipes, drains, floor drains, manhole covers, cast iron gutter plates, hand rails, gutters, flashing and walkways, including steel supports, therefore, metal stairways, cast iron piping to and from condensers, plumbing and toilet facilities and verified pipe conduits for power wiring.

Division B—Shall consist of the following: All brick work, structural steel, roof trusses, steel beams and lintels, windows, sash, glass, ventilators and ventilating apparatus, door and sash frames, doors, hardware, hinges, roofing, flashing, painting, cleaning of brick work and masonry.

Division C—Shall consist of the radial brick chimney above the foundation.

Division D—Shall consist of a standard surface condenser together with its air and circulating pumps.

Division E—Shall consist of the furnishing and erection of 200 Horse Power Horizontal water tube standard boilers, together with the steam header and governing and breeching.

Proposals may be made on one division or on all divisions complete, but not on any part of any one division. Proposals may be made on all divisions as an entirety. The City may accept the most favorable proposal for any one of the divisions, except proposals on all divisions as an entirety.

The work is located in the City of Jacksonville, Illinois, adjacent to the C. & A. railroad and bidders must take cognizance of the fact that a spur track will be built on the C. & A. railroad to the site of the work.

Every proposal must contain the full name of every person or company interested in the same and must be accompanied by a certified check or a surety bond payable to the City of Jacksonville, in the sum of \$10,000, as a guarantee that if the proposal is accepted a contract will be entered into and its performance properly secured, in the following sums:

Division A—Nine Hundred Dollars (\$900.00).

Division B—Four Hundred Dollars (\$400.00).

Divisions A & B, as an entirety—Eleven Hundred Dollars (\$1,100.00).

All proposals must be made upon blank forms furnished by the City of Jacksonville, and in accordance with the "Requirements for Bidding and Instructions to Bidders" attached thereto.

The City Council reserves the right to reject any or all bids, waive any informality in the bids received and to accept any bid deemed most favorable to the City of Jacksonville.

ed into and its performance properly secured in the amount of ten per cent (10%) of the amount of the proposal.

All proposals must be made upon blank forms furnished by the City of Jacksonville and in accordance with the plans and specifications.

The City Council reserves the right to reject any or all bids, waive any informality in the bids received and to accept any bid deemed most favorable to the City of Jacksonville.

Specifications, forms of proposal and plans may be obtained from the City Clerk, or at the office of Pease & Greeley upon deposit of Five (\$5.00) Dollars. Such deposit will be returned if said plans and specifications are returned in good condition within Thirty (30) days after the opening of bids.

# Another Joy Ride With Hutson

First Let Us Tell You Something About the

## Minneapolis All-Purpose Profit-Reducing Tractor

Delivers Efficient Power, at Low Operating Cost, to

Plow, harrow, disc, seed, Put the ensilage safe away. Crush the rock, saw the wood,  
Cut the grain, grind the feed, Haul, thresh, hull, shell, Grade the roads and make them  
Husk the corn, bale the hay, Shred the fodder, drill a well, good.

## As Easy to Handle as a Team of Horses

Burns Kerosene, Gasolene, Distillate. Below We Give You Brief Details

### EFFICIENT

A highly efficient motor must develop an abundance of power and be so designed and constructed that it is capable of performing the various kinds of belt work that is required on the modern equipped farm of today. An efficient tractor must have sufficient weight to prevent the slipping of drive wheels when the motor power is to be applied to traction work. A motor may have ample power but that power cannot be efficiently utilized for traction work without proper weight on the drivers. Little

slippage means big loss in traction efficiency.

### NO FREAK DESIGNING

The Minneapolis All-Purpose tractor is simple in design and easy to operate. It will render efficient service and bring added profits from your farming operations. We invite you to carefully examine one and compare with others.

### SPECIALLY DESIGNED MANIFOLD

With this device the exhaust heat can be regulated to cover a wide variation of climatic

conditions and to get the best of results from the fuel being used.

### WATER IS USED WITH KEROSENE

The use of a proper amount of water assists in burning kerosene successfully. It also keeps cylinders clean and free from carbon.

An automatic valve is used to supply water in proper proportion to the amount of fuel being consumed.

### CRANK CASE PAN

Connecting rods and pistons can be easily removed when this pan is taken off, or

by opening the two inspection plates the connecting rod bearings can be adjusted as they require it.

### MOTOR PARTS ENCLOSED

Metal plates carefully fitted in the front part of motor to protect the tappets, guides and valve stems from dust and dirt.

### TIMING GEARS ENCLOSED

Timing gears and governor gears have machine cut cogs, are protected by a dust proof housing and run in oil.

### UNIFORM MOTOR SPEED

A fly ball governor, operating a butterfly valve in the fuel supply pipe maintains a uniform speed at all loads.

### AUTOMATIC OILING OF BEARINGS

A mechanical oiler is used to lubricate all important motor bearings. This system used in connection with a splash system insures thorough and proper lubrication.

Don't overlook the importance of belt power and don't make the mistake of buying too light. Reserve power is a good investment.

## The Minneapolis Junior Separator

Equipped With Gearless Wind Stacker, No. 1 Register and Heineke Jr. Perfection Feeder

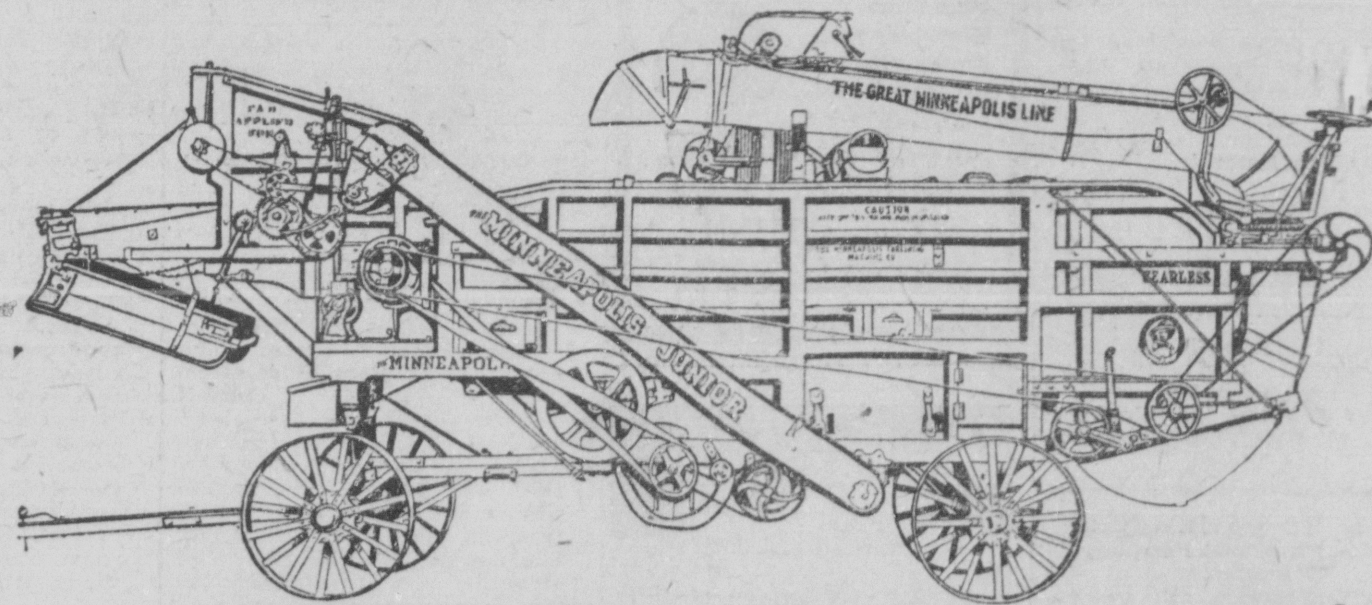

(A Statement by the Manufacturers)

THE MINNEAPOLIS JUNIOR SEPARATOR was first manufactured in quantities during the year 1917, and a large number sold throughout the grain growing sections of the United States and Canada. These machines were operated almost entirely by small gas tractors ranging in size from 8-16 to 45-30. At the end of the season we made careful inquiry of our customers and representatives, and so generous were they all in their commendation of the Minneapolis Junior that we felt justified in building six times as many machines for the 1918 season. With this largely increased output, however, we were compelled to turn away hundreds whose orders reached us the latter part of the season. We have again made careful inquiry, only to find that the Minneapolis Junior did again in 1918 come fully up to expectations, and the unanimous opinion of purchasers throughout the country seems to be that the Minneapolis

Junior separator, for close saving and cleaning of grain, as well as large capacity, is superior to any small machine on the market. With this added assurance from our many customers we will again, for this season, greatly increase our output of these machines, hoping that we may at least come nearer to supplying the demands than we did during the year just past.

The Minneapolis Junior separator is not a small, cheaply constructed machine made with an idea of selling at a low price. It is as carefully constructed as our larger machines and has all of their valuable features such as cast cylinder sides, big Keystone cylinder teeth made of tool steel, reinforced concaves, double concave adjustment front and back, large adjustable grate surface operated independent of concave, adjustable self-oiling cylinder boxes, double chaffer, etc.

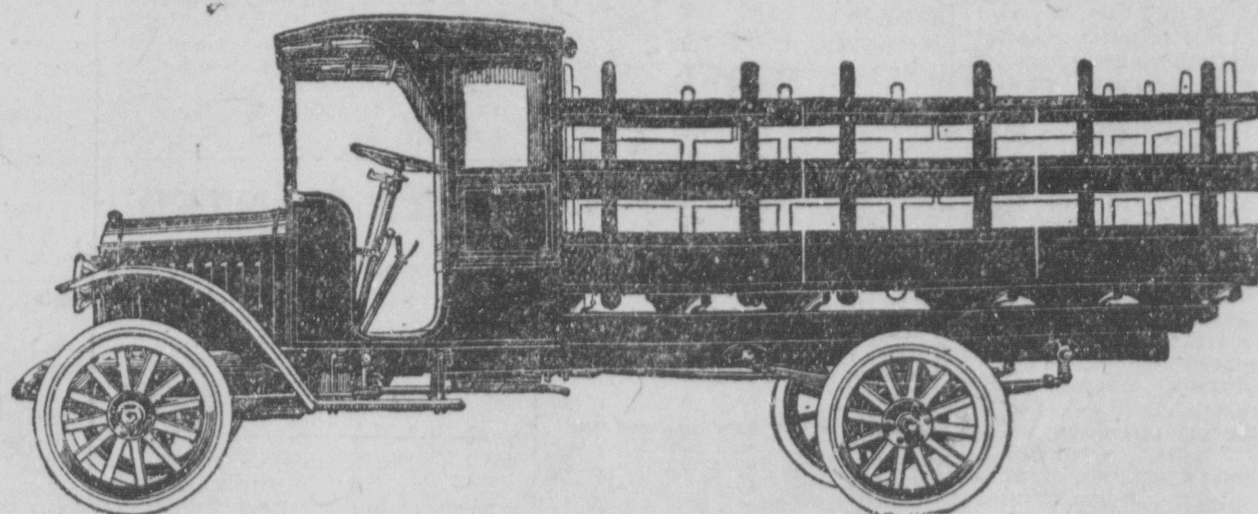

SEE US ABOUT THIS WONDERFUL MACHINE

There hasn't been a year since you started business that the draying charges you've paid outsiders wouldn't have half bought a Maxwell Truck.

The close figuring merchant who calculates he can't afford this expense reducer is the very man who needs it most. Just the right size and price for 90% of American concerns. On the confidence of more than 3000 users in many kinds of business, Maxwell tire, gas and repair bills hold records for moderation. Worm drive. Electric lights and generator. 16 miles to the gallon. 2400 pounds. \$5000 truck construction. \$5000 truck guarantee.

\$1695 f.o.b. Jacksonville (chassis), the lowest priced full grown, fully guaranteed 1½-ton truck in the world. Pays its way from day to day. See us now for a demonstration.

Here's the Famous Maxwell Truck

## We Give You 1,500,000,000 Miles of Evidence

Statisticians calculate that Maxwell cars the world over traveled 1,500,000,000 miles last year. What a gigantic test of gears, bearings, axles, crankshafts, and the 3,000 other pieces of steel in a Maxwell car!

Had these metals shown a single chronic weakness their makers would have suffered a far-reaching penalty.

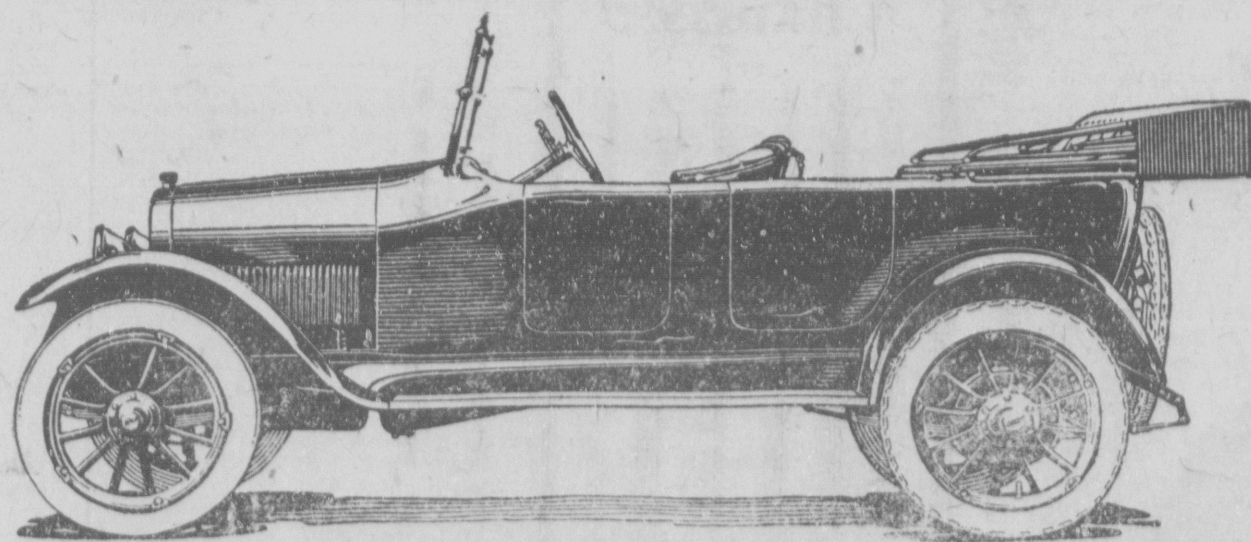

Instead these 1,500,000,000 test miles—equal to 57,000 times around the equator—put a great premium on the Maxwell.

So great that it is becoming more and more difficult each day to get a Maxwell.

To fill this ever-growing and friendly demand for Maxwell, 100,000 are being built this year, bringing the total of Maxwells now in use on the road to 400,000. The 100,000 will fall far short.

Possibly 40,000 persons will have to purchase a second choice car.

To be sure of your first choice see and try the Post-War Maxwell without delay. We deliver now.

America's Best Light Car—The Maxwell
